Dear Investor,

Subject: (A) Exit Option to the Unitholders as a result of proposed change in the controlling interest of Reliance Nippon Life Asset Management Limited, the investment manager of Reliance Mutual Fund; &
(B) Seeking approval of the unitholders to the proposed amendment to the trust deed

At the outset, we would like to thank you for having invested in Reliance Mutual Fund ("RMF").

Background

Reliance Nippon Life Asset Management Limited ("RNAM") is the investment manager to RMF. Reliance Capital Limited ("RCL"), a public listed company in India and Nippon Life Insurance Company ("NLI"), which is a mutual company incorporated and existing under the laws of Japan, are promoters of RNAM. As on 30th June 2019, NLI holds 42.88% and RCL holds 32.12% of the total issued and paid-up equity share capital of RNAM. The remaining issued and paid-up equity share capital of RNAM representing 25% is held by public shareholders.

Reliance Capital Trustee Company Limited ("RCTC"), an unlisted public company, incorporated under the Companies Act, 1956, and a wholly owned subsidiary of RCL, is acting as the trustee of RMF.

Proposed Change in Controlling Interest

We would like to inform you that on May 23, 2019, RCL, NLI and RNAM have executed definitive agreements in terms of which, subject to the fulfillment of certain conditions precedent (including the receipt of necessary regulatory approvals), NLI who currently holds around 42.88% of the total issued and paid up equity share capital of RNAM, has agreed to acquire additional equity shares of RNAM ("**Proposed Transaction**"), such that on completion of the Proposed Transaction, NLI shall in the aggregate hold equity shares amounting to a maximum of 75% of the total issued and paid up equity share capital of RNAM which shall include shares acquired by NLI from the public shareholders pursuant to the open offer made by NLI.

RCL had, at its sole discretion, sold 7.89% of the total issued and paid-up share capital of RNAM through an offer for sale, undertaken on May 24, 2019 and May 27, 2019 to public shareholders and consequently, RCL's shareholding in RNAM was reduced to 34.99% of the total issued and paid-up equity share capital of RNAM. RCL further, at its sole discretion, sold 2.86% of the total issued and paid-up equity share capital of RNAM through an offer for sale made on June 13, 2019 and June 14, 2019, consequent to which RCL's shareholding in RNAM has reduced to 32.12% of the total issued and paid-up equity share capital of RNAM. Pursuant to the definitive agreements executed in relation to the Proposed Transaction, NLI has made a cash offer to acquire up to 25.33% of the expanded voting share capital of the Company (as defined in the Letter of Offer) in accordance with the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, as amended ("**SEBI (SAST) Regulations**") from the public shareholders. Open offer tendering period was July 23, 2019 to August 5, 2019 and the last date of communicating the rejection/ acceptance and completion of payment of consideration or refund of Equity Shares to the Public Shareholders is August 21, 2019. The Shareholding Pattern of the Company is subject to change and the revised shareholding pattern post the open offer will be available only on August 21, 2019.

Accordingly, RCL is deemed to have ceased to be a co-sponsor of RMF as the shareholding of RCL in RNAM has fallen below 40% of the issued, subscribed and paid-up equity share capital of RNAM and NLI is deemed to have become the 'sole sponsor' of RNAM.

It may be noted that in terms of the relevant requirements under the Securities and Exchange Board of India ("**SEBI**") (Mutual Funds) Regulations, 1996, as amended ("**Mutual Funds Regulations**"), RNAM is required to provide an exit option to the unit holders of RMF ("**Unitholders**") for change in 'controlling interest' of RNAM.

Therefore, RNAM through this letter is providing option to the Unitholders of open ended as well as close ended schemes of RMF, to either continue as an investor in the schemes of RMF or exit at the prevailing net asset value without any exit load as per the provisions of the Mutual Funds Regulations.

Pursuant to the Proposed Transaction:

- (a) RCL is deemed to have ceased to be co-sponsor of RMF and NLI is deemed to have become the sole sponsor of RMF;
- (b) NLI shall acquire up to a maximum of 75% of the issued subscribed and paid-up equity share capital of RNAM and there will accordingly be a change in the 'controlling interest' of RNAM, as contemplated under the Mutual Funds Regulations;
- (c) the necessary amendments to the amended and restated deed of trust dated 15 March 2011 entered between RCL and RCTC acting as the trustee of RMF and as amended on 14 July 2016 ("**RMF Trust Deed**") will be appropriately carried out by way of an execution of an amended and restated trust deed ("**Amended & Restated Trust Deed**") between RCL, the trustee company of RMF i.e. RCTC and NLI, to remove RCL as the co-sponsor and state NLI as the sole sponsor of RMF. A draft of the Amended & Restated Trust Deed is enclosed as **Exhibit A** to this letter ("**Exit Option Letter**"); and
- (d) the Statement of Additional Information ("**SAI**"), the Scheme Information Documents ("**SID**"), the Key Information Memorandums ("**KIM**") and other relevant documents relating to the existing schemes of RMF shall also be appropriately amended and updated (wherever applicable) in accordance with the Mutual Funds Regulations, so as to reflect the relevant changes pursuant to the Proposed Transaction.

- (e) the schemes/plans of RMF will continue to be governed by the features/ terms and conditions, as stipulated in the SAI and relevant SID/ KIM of the schemes of RMF, and that there would be no change in any of the fundamental attributes governing the schemes/plans, as a result of the Proposed Transaction.

As per the applicable provisions of the Mutual Funds Regulations read along with the relevant contents of the RMF Trust Deed, the required amendments to the RMF Trust Deed in respect of the Proposed Transaction shall be carried out with the prior approval of SEBI and that of the Unitholders. The approval of the Unitholders is being sought through postal ballot and the Unitholders are requested to exercise their right in this regard as per the procedure set out in this Exit Option Letter. The duly filled in signed Ballot Paper, as set out in **Exhibit B** of this Exit Option Letter ("**Ballot Paper**") should reach M/s M Siroya and Company ("**Scrutinizer**") on or before the close of business hours on September 09, 2019. It may be noted that the incomplete Ballot Papers and such Ballot Papers which are received after the timelines, as prescribed above, shall not be considered.

Expected Benefits of the Proposed Transaction

We believe that the proposed increase in stake by NLI in RNAM would strengthen RNAM's foothold in the areas of international fund management capabilities, investment, risk management and compliance processes, expanding its global foot print. Since the year 2012, RNAM has already gained immensely from the global experience of NLI and its associates i.e. Nissay. It is expected that it would also further pave way for the increased Japanese investments finding its ways into the Indian financial markets. This will also ensure that the employees of RNAM would get training and learnings from the best global practices followed by NLI.

Approvals

The Proposed Transaction has been duly approved by the respective board of directors of RNAM and RCTC on May 23, 2019 respectively.

Further, in terms of the provisions of the Mutual Funds Regulations, SEBI vide its letter Ref. No. SEBI/HO/IMD/DF5/OW/P/2019/20913/1 dated August 14, 2019, has also accorded its no-objection for the aforesaid change in controlling interest of RNAM and the change of sponsor of RMF & SEBI vide its letter Ref. Notice to Unitholders in relation to the Change in Controlling Interest of RNAM

Regulatory Position

Pursuant to Regulation 22(e) of the Mutual Funds Regulations, a change in the controlling interest of an asset management company (in this case, RNAM) requires: (i) a written communication about the proposed change to be sent to each Unitholder and an advertisement to be released in 1 (one) English daily newspaper having nation-wide circulation and in a newspaper published in the language of the region where the head office of the mutual fund (in this case, RMF) is situated ("**Unitholder Notice**"); and (ii) the Unitholders to be given an option to exit at the prevailing net asset value ("**NAV**"), without any exit load, for a period of 30 (thirty) days ("**Exit Option**").

Regulation 2(g) of Mutual Funds Regulations defines 'control', in the case of a company, as the ownership, control or holding of shares carrying not less than 10% (ten per cent) of the voting rights of such company, by any person or combination of persons, either directly or indirectly.

As a result of the Proposed Transaction, the current shareholding of NLI of 42.88% will stand increased, in the aggregate, to a shareholding equal to or not more than 75% of the issued, subscribed and paid-up equity share capital of RNAM, and consequently, will result in a change in controlling interest of RNAM as specified in Regulation 22(e) of the Mutual Funds Regulations.
