## Ab Tax Bachao Aur Growth potential Bhi Pao!

(An open ended equity linked saving scheme with a statutory lock in of 3 years and tax benefit)

- Claim Deduction upto Rs. 1,50,000 u/s 80C@

@To save tax up to Rs 46800 (including applicable cess): Individual and HUF having taxable income of less than Rs 50 Lakhs are entitled to get deduction up to Rs 1.5 Lakhs from their gross total income for investment made under ELSS scheme during the relevant financial year. This deduction is available as per the provision of section 80C of the income tax act 1961. Tax saving will be proportionately reduced subject to the taxable income and investments. Further, investment in ELSS scheme is subject to lock in period of 3 Years from the date of allotment of units. Long term capital gain, if any on ELSS scheme investment is subject to applicable tax at the time of redemption. The tax benefits are as per the current income tax laws and rules. Deduction is available if investor has opted for old tax regime. Investors are advised to consult their tax advisor before investing in such schemes.

Note: Investments in mutual funds should not be construed as a guarantee of any minimum returns. ELSS invests in equity and there is no capital protection guarantee or assurance of any return in mutual fund investment. Kindly consult your financial advisor before investing.

B: Benchmark, AB: Additional Benchmark, TRI: Total Return Index

TRI - Total Returns Index reflects the returns on the index arising from (a) constituent stock price movements and (b) dividend receipts from constituent index stocks, thereby showing a true picture of returns.

**Disclaimer: Past performance may or may not be sustained in the future.** Returns on SIP and Benchmark are annualised and cumulative investment return for cash flows resulting out of uniform and regular monthly subscriptions have been worked out on excel spreadsheet function known as XIRR. It is assumed that a SIP of Rs. 10,000/- each executed on 10th of every month for Growth Plan (Regular Plan) has been taken into consideration including the first installment. It may please be noted that load has not been taken into consideration. The amounts invested in SIP and the market values of such investments at respective periodic intervals thereof are simulated for illustrative purposes for understanding the concept of SIP. This illustration should not be construed as a promise, guarantee on or a forecast of any minimum returns. The Mutual Fund or the Investment Manager does not assure any safeguard of capital and the illustrated returns are not necessarily indicative of future results and may not necessarily provide a basis for comparison with other investments. SIP does not guarantee or assure any protection against losses in declining market conditions.

# Co-Fund Manager

**Note:** Performance as on February 29, 2024 | B: Benchmark, AB: Additional Benchmark, TRI: Total Return Index

**Past performance may or may not be sustained in future** and the same may not necessarily provide the basis for comparison with other investment. Performance of the schemes (wherever provided) are calculated basis CAGR for the past 1 year, 3 years, 5 years and since inception. In case, the start/end date of the concerned period is non-business day (NBD), the NAV of the previous date is considered for computation of returns. Schemes which have not completed one year, performance details for the same are not provided. Performance details of closed ended schemes are not provided since these are not comparable with other schemes. TRI - Total Returns Index reflects the returns on the index arising from (a) constituent stock price movements and (b) dividend receipts from constituent index stocks, thereby showing a true picture of returns. In the performance of other open ended schemes managed by the fund managers, the performance of the equity schemes is benchmarked to the Total Return variant of the Index.
