B: Benchmark, AB: Additional Benchmark, TRI: Total Return Index

TRI - Total Returns Index reflects the returns on the index arising from (a) constituent stock price movements and (b) dividend receipts from constituent index stocks, thereby showing a true picture of returns.

**Disclaimer: Past performance may or may not be sustained in the future.** Returns on SIP and Benchmark are annualised and cumulative investment return for cash flows resulting out of uniform and regular monthly subscriptions have been worked out on excel spreadsheet function known as XIRR. It is assumed that a SIP of Rs. 10,000/- each executed on 10th of every month for Growth Plan (Direct & Regular Plan) has been taken into consideration including the first installment. It may please be noted that load has not been taken into consideration. The amounts invested in SIP and the market values of such investments at respective periodic intervals thereof are simulated for illustrative purposes for understanding the concept of SIP. This illustration should not be construed as a promise, guarantee on or a forecast of any minimum returns. The Mutual Fund or the Investment Manager does not assure any safeguard of capital and the illustrated returns are not necessarily indicative of future results and may not necessarily provide a basis for comparison with other investments. SIP does not guarantee or assure any protection against losses in declining market conditions.
