Nippon India ETF Gold BeES

Investment Objective Nippon India ETF Gold BeES

The investment objective of Nippon India ETF Gold BeES is to provide returns that, before expenses, closely correspond to the returns provided by Domestic price of Gold through physical gold. However, there can be no assurance or guarantee that the investment objective of the Scheme will be achieved.

Investment Philosophy

Nippon India ETF Gold BeES is a passively managed exchange traded fund which endeavors to track and provide similar returns to its benchmark- the domestic price of gold, through investment in physical gold and money market instruments.

- Open-ended exchange traded fund – entry & exit through the stock exchange (NSE).
- Invests exclusively in physical gold which shall be of fineness(or purity) of 995 parts per 1000 (99.5 %)
- Portfolio focused on providing returns that closely correspond to the returns provided by physical gold.

Benefits of Investing in Nippon India ETF Gold BeES

- **Low cost :** When you buy Nippon India ETF Gold BeES you have to pay brokerage charges, which is usually much lower than paying for markup charges while buying physical gold.
- **Transparency:** Nippon India ETF Gold BeES, the rates are transparent as they are traded like a share on the National Stock Exchange and therefore it provides the ability to buy and sell them quickly at the ruling market price and therefore highly liquid. There is no consistency when you buy and sell physical gold across jewelers or banks
- **Security:** Unlike physical gold no concerns about security, theft. Safeguard in the form of electronic mode in the case of unforeseen circumstances.
- **Margin for trading :** Nippon India ETF Gold BeES is accepted as margin for trading on NSE with applicable haircut
- **Ability to buy in small units:** Nippon India ETF Gold BeES unit is approximately equal to 0.01 gram of gold which can be directly bought through the trading terminals.
- No securities transaction tax for trading Nippon India ETF Gold BeES.
- **Feasibility:** Nippon India ETF Gold BeES units are available on NSE which provides feasibility to the investor to buy and sell the units during trading hours of the exchange subject to availability of buyer & Seller. It enables to limit orders as well as permits intraday trading.
