

# Strike with focus

## Nippon India Focused Fund

In investing, portfolios can either hold a large number of stocks or be built around a limited selection. Some investors prefer a more concentrated portfolio with a focused set of companies.

**For investors who prefer this focused approach**, Nippon India Focused Fund **invests in up to 30 handpicked stocks** across large, mid, and small-cap companies based on relative opportunities. The fund aims to follow a high-conviction, research-driven strategy where **each stock plays a defined role in building a focused portfolio**.

Exposure in up to 30 focused, handpicked stocks

Blends sector insights with company-level research

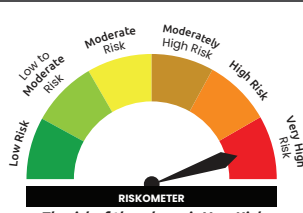

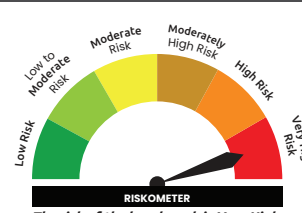

Diversification across market capitalisations
