Current Investment Philosophy

- ▶ It is an investment opportunity to participate in India's capex growth by investing in securities of companies in power and infra sectors.
- ▶ The portfolio has an adequate diversification within the power and infra sectors by spreading investment over a large range of companies.
- ▶ The fund provides opportunity within these sectors, with focused approach and flexibility to invest in Transportation, Energy, Resources, Communication and other power and infrastructure allied companies.
- ▶ The portfolio is focused on creating long term risk adjusted return.
