WHY INVEST
<ul style="list-style-type: none"> • Small Cap space may have the potential to outperform over the long term. • Leveraging in-house research capabilities consisting of a large & well experienced team tracking a large investment universe. • Portfolio has optimal mix of Growth, Economic Revival, Value & Thematic stocks.

CURRENT INVESTMENT PHILOSOPHY
<p>The fund attempts to generate relatively better risk adjusted returns by focusing on the smaller capitalization companies. Small cap stocks, for the purpose of the fund are defined as stocks whose market capitalization is below top 250 companies in terms of full market capitalization.</p> <p>Small cap companies are potential mid caps of tomorrow and offer twin advantage of high growth prospects & relatively lower valuation. The fund focuses on identifying good growth businesses with reasonable size, quality management and rational valuation.</p> <p>The investment approach adopts prudent risk management measures and diversification across sectors & stocks with a view to generate relatively better risk adjusted performance over a period of time.</p>

Disclaimer pertaining to SIP Returns: Past performance may or may not be sustained in the future. Returns on SIP and Benchmark are annualised and cumulative investment return for cash flows resulting out of uniform and regular monthly subscriptions have been worked out on excel spreadsheet function known as XIRR. It is assumed that a SIP of Rs. 10,000/- each executed on 10th of every month for Growth Plan (Direct & Regular Plan) has been taken into consideration including the first installment. It may please be noted that load has not been taken into consideration. The amounts invested in SIP and the market values of such investments at respective periodic intervals thereof are simulated for illustrative purposes for understanding the concept of SIP. This illustration should not be construed as a promise, guarantee or a forecast of any minimum returns. The Mutual Fund or the Investment Manager does not assure any safeguard of capital and the illustrated returns are not necessarily indicative of future results and may not necessarily provide a basis for comparison with other investments. SIP does not guarantee or assure any protection against losses in declining market conditions.

Stamp duty @ 0.005% of the transaction value would be levied on applicable mutual fund transactions, with effect from July 01, 2020. Accordingly, pursuant to levy of stamp duty, the number of units allotted on purchase/switch-in transactions (including IDCW reinvestment) to the unitholders would be reduced to that extent. Kindly refer notice cum addendum no. 30, dated June 30, 2020.
