WHY INVEST
<ul style="list-style-type: none"> <li>• Small Cap space can potentially outperform over the long term especially during sustained uptrends.</li> <li>• Strong in-house research a key differentiator to identify long term winners and NIMF has an established track record of over 25 years in managing equity strategies.</li> <li>• Portfolio has optimal mix of Growth, Economic Revival, Value &amp; Thematic plays.</li> </ul>

CURRENT INVESTMENT PHILOSOPHY
<p>The fund attempts to generate relatively better risk adjusted returns by focusing on the smaller capitalization companies. Small cap stocks, for the purpose of the fund are defined as stocks whose market capitalization is below top 250 companies in terms of full market capitalization.</p> <p>Small cap companies are potential mid caps of tomorrow and offer twin advantage of high growth prospects &amp; relatively lower valuation. The fund focuses on identifying good growth businesses with reasonable size, quality management and rational valuation.</p> <p>The investment approach adopts prudent risk management measures like margin of safety and diversification across sectors &amp; stocks with a view to generate relatively better risk adjusted performance over a period of time.</p>

**Disclaimer pertaining to SIP Returns: Past performance may or may not be sustained in the future.** Returns on SIP and Benchmark are annualised and cumulative investment return for cash flows resulting out of uniform and regular monthly subscriptions have been worked out on excel spreadsheet function known as XIRR. It is assumed that a SIP of Rs. 10,000/- each executed on 10th of every month for Growth Plan (Regular Plan) has been taken into consideration including the first installment. It may please be noted that load has not been taken into consideration. The amounts invested in SIP and the market values of such investments at respective periodic intervals thereof are simulated for illustrative purposes for understanding the concept of SIP. This illustration should not be construed as a promise, guarantee on or a forecast of any minimum returns.
