CURRENT INVESTMENT PHILOSOPHY
<p>► <b>Stock selection revolves around the following key parameters</b></p> <ul style="list-style-type: none"> <li>• Long term sustainable growth trajectory over Near Term Outlook</li> <li>• Focus on the current capability of the Company i.e. Current assets/investments which may be sufficient to take care of future growth.</li> <li>• Contra ideas – Fundamentally sound businesses at relatively attractive valuations on near term challenges</li> <li>• Avoiding value trap – Avoiding value buys where the long term structural growth is uncertain or can be disrupted</li> </ul> <p>► <b>Current Themes</b></p> <ul style="list-style-type: none"> <li>• Consolidators/Leaders across segments – Banks, Telecom</li> <li>• Make in India and China plus one beneficiaries – Chemicals, Consumer Durables</li> <li>• Capex revival – Industrials, Infrastructure</li> <li>• Normalization / Mean to reversion – Out of home consumption</li> </ul>

**Disclaimer pertaining to SIP Returns: Past performance may or may not be sustained in the future.** Returns on SIP and Benchmark are annualised and cumulative investment return for cash flows resulting out of uniform and regular monthly subscriptions have been worked out on excel spreadsheet function known as XIRR. It is assumed that a SIP of Rs. 10,000/- each executed on 10th of every month for Growth Plan (Direct & Regular Plan) has been taken into consideration including the first installment. It may please be noted that load has not been taken into consideration. The amounts invested in SIP and the market values of such investments at respective periodic intervals thereof are simulated for illustrative purposes for understanding the concept of SIP. This illustration should not be construed as a promise, guarantee on or a forecast of any minimum returns. The Mutual Fund or the Investment Manager does not assure any safeguard of capital and the illustrated returns are not necessarily indicative of future results and may not necessarily provide a basis for comparison with other investments. SIP does not guarantee or assure any protection against losses in declining market conditions.

Stamp duty @ 0.005% of the transaction value would be levied on applicable mutual fund transactions, with effect from July 01, 2020. Accordingly, pursuant to levy of stamp duty, the number of units allotted on purchase/switch-in transactions (including IDCW reinvestment) to the unitholders would be reduced to that extent. Kindly refer notice cum addendum no. 30, dated June 30, 2020.

**General Disclaimer:** Data as on January 31, 2025. **Past Performance may or may not be sustained in future.** Sector(s)/ Stock(s)/ Issuer(s) mentioned above are for the purpose of disclosure of the portfolio of the scheme(s) and should not be construed as a recommendation. The Fund manager(s) may or may not choose to hold the stock mentioned, from time to time. Investors are requested to consult their financial, tax and other advisors before taking any investment decision(s).

@Co-Fund Manager

**Note:** Performance as on January 31, 2025  
B: Benchmark, AB: Additional Benchmark, TRI: Total Return Index

**Past performance may or may not be sustained in future** and the same may not necessarily provide the basis for comparison with other investment. Performance of the schemes (wherever provided) are calculated basis CAGR for the past 1 year, 3 years, 5 years and since inception. In case, the start/end date of the concerned period is non-business day (NBD), the NAV of the previous date is considered for computation of returns. Schemes which have not completed one year, performance details for the same are not provided. Performance details of closed ended schemes are not provided since these are not comparable with other schemes. TRI - Total Returns Index reflects the returns on the index arising from (a) constituent stock price movements and (b) dividend receipts from constituent index stocks, thereby showing a true picture of returns. In the performance of other open ended schemes managed by the fund managers, the performance of the equity schemes is benchmarked to the Total Return variant of the Index.
