Letter to Shareholders

Dear Shareholders,

India is undergoing a major transformation, under the leadership of our honourable Prime Minister Shri Narendra Modi. Several initiatives and economic reforms such as implementation of Goods and Services Tax (GST), Jan Dhan Yojana, Demonetization etc have been very positive particularly for financial services Industry. The implementation of the Goods and Services Tax regime in 2017 was a watershed event. It is one of the biggest structural economic reforms undertaken in India and its benefits shall continue in the years to come. Moreover, the formalisation of the economy is paving the way for sustained “financialization” of savings. The share of financial savings in household savings is on the rise.

This fiscal year has been special for us at Reliance Nippon Life Asset Management (RNAM) as:

- **RNAM has successfully completed listing on stock exchanges** in Nov 2017. The IPO received an overwhelming response from both retail and institutional investors.
- We have completed **5 years** of strategic partnership with **Nippon Life Insurance, Japan**.

Your Company is amongst the largest asset managers managing assets of approx. Rs 4 lakh Cr across Mutual Funds, Portfolio Management Services (PMS), Alternative Investment Funds, Pension Funds and Offshore strategies. As part of PMS business, RNAM manages prestigious mandates like the Employees’ Provident Fund Organisation and Coal Mines Provident Fund Organisation.

Let me take you through the highlights of the year for the Industry and the Company.

Mutual Fund Industry:

During the year under review, the Indian Mutual Fund Industry witnessed strong growth across the board. Industry QAAUM grew 26% from Rs 18.3 lakh Cr in Mar’17 to over Rs 23 lakh Cr in Mar’18.

Investor folios grew 29% from 5.5 Cr to over 7.1 Cr. Demonetization can be clearly seen as one of the key drivers for growth of MF Industry and increased retail participation. Retail participation has been the backbone of this growth, post demonetization the Mutual Fund Retail AAUM grew by 57% from Rs 3.4 lakh Cr in Oct’16 to Rs 5.3 lakh Cr in Mar’18. Increased financial awareness and better understanding of Mutual Fund Industry reflects that investors are taking advantage of SIPs for long term wealth creation. Industry SIP Book posted a growth of 64% to Rs 4,335 Cr to Rs 7,119 Cr as of Mar’18.

Regulatory Changes:

This year the regulator has made three major changes for the benefit of investors and the Industry.

- SEBI, mandated a framework under which standard categories of schemes have been defined and AMCs are allowed to have only one scheme under each category. This will bring utmost clarity in positioning and definition of different funds.
- Additional incentives which were earlier allowed for B-15 i.e. beyond top 15 cities, would now be allowed only for inflows from beyond top 30 cities (B-30).
- SEBI also announced a 15bps cut in fees for mutual funds by lowering an additional charge from 20bps to 5bps.

Reliance Mutual Fund:

The MF AUM grew by Rs 34,000 Cr this year, with the Q4FY18 average AUM at Rs 2,44,904 Cr touching all-time high. Our Equity assets grew from Rs 57,011 Cr to Rs 87,143 Cr which is a growth of 53% year on year. Equity composition in MF assets have increased from 27% to 36% as on Mar’ 2018. We continue to be amongst the leaders in ‘Beyond Top 15 cities’ segment. This segment contributed AUMs of Rs. 51,524 Cr - an increase of 25%. Over 21% of total assets are sourced from beyond 15 cities versus 18% of Industry.

We continued to move forward on our strategy of increasing share of retail assets in our total AAUM. Our retail assets have grown highest in the Industry at Rs. 20,558 Cr this fiscal. Our strong retail brand and robust distribution network has helped in growing the retail assets by 39% to Rs. 73,215 Cr. Post demonetization Industry added over Rs 1,95,000 Cr retail assets and we have added the highest retail assets at Rs 29,300 Cr. Our Retail AAUM contribution to Total AAUM is among the highest in the industry at 30.5%.

Our Systematic Investment Plan (SIP) book grew by 70% in FY18. The number of SIPs rose to over 25 lakhs resulting in annualized SIP inflows of approximately Rs 9,000 Cr as on Mar 2018. We have added more than 100,000 folios per month in FY18.

We finished 17 months of integration with Goldman Sach Asset management ETF business in India. In the ETF space, RNAM is the 2nd largest player with 17.5% market share. RNAM is the only AMC

in India to have 15 years of track record in managing ETFs, with an AAUM of Rs 13,296 Cr for the quarter ended Mar 2018.

Infrastructure Investment: Enablers of Growth

Presence

Your company has a pan India distribution network, with presence in 282 locations. We added 120 locations to our overall coverage during the year. This is part of a focused strategy to expand our reach and tap the huge potential in smaller locations across India.

Digital

Technology has now become a part of the Mutual Fund industry and is used in many areas—from fund management to transactions and servicing. With the increasing use of smartphones and growing Aadhaar ID base of 118 Cr, the customer onboarding (KYC) and investment process continues to improve and become more seamless across platforms. Your company investments in digital platform is seeing traction. Digital Purchases almost doubled in FY 18; we handled approximately 6,45,000 digital purchase transactions in FY 18. Your company have also partnered with digital service providers such as ET Money, Paisa Bazaar, Cleartax, Moneycontrol and others. For tapping into Bharat we have done tie-up with service providers such as payworld, suvidhaa, paytm, freecharge, fino and others.

Diversified Distributor Mix:

RNAM remains well diversified in terms of distribution, with no single distributor contributing to more than 4.5% of total mutual fund AUM. Your company distributor count went up from 55,000 to more than 65,000 as on Mar' 2018. We have de-risked the business model from the perspective of distribution, asset class and geographical presence. The clear objective is to create long term wealth for both unit holders as well as shareholders.

Apart from Mutual Fund business, let me take you through the key highlights across the various RNAM subsidiaries.

AIF: Next frontier of growth

We started our AIF operations in 2014 with a single asset class – high yield debt. Over the period, we have built our capabilities and widened our investment offerings. Today we offer high yield Credit and Equity offerings and operate in Category II & III. We are currently managing 8 schemes of which 4 are closed for subscription. As on Mar'18 Reliance AIF has over Rs 2,000 Cr worth of commitments across various AIF schemes.

International Business: Leveraging global tie ups and our association with Nippon Life Insurance

India has seen increasingly higher inflows from international markets. To capitalise on this opportunity your company has been working closely with Nippon Life Insurance which has investments in 41 Asset management related companies globally to leverage on their tie ups for bringing flows into India. Your Company manages offshore funds through its subsidiaries in Singapore

and Mauritius and also has representative office in Dubai thereby catering to investors across Asia, Middle East, UK, US, and Europe. Company also acts as an Investment Advisor for India-focused Equity and Fixed Income funds in Japan and South Korea. In this fiscal company in collaboration with BBL Asset Management Company Ltd, an affiliated company of Bangkok Bank (BBL), the largest Thai commercial bank, have launched Bualuang Bharata Fund in Thailand for Thai high net worth and institutional investors. RNAM is managing and advising AUM of approx. Rs 8,700 Cr from international business.

People: Our Strength

Our business has low capital requirements. Our people are the real assets of the company, which does not get reflected in the balance sheet. I am delighted to share that Reliance Nippon Life Asset Management has been certified as "Great Place to work" 2018, among top 15 companies in BFSI space and "AON Best Employer 2018" we share this recognition with Top 16 Employers in India. This recognizes the organization culture and high focus that our company has on its people.

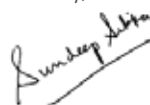

Strong Risk Management and Compliance Culture

Robust risk management practices, strong compliance remains the core of your company's culture and we will continue our efforts in this direction in an earnest manner to be the most Trusted and Respected Asset Management Company.

Future Outlook:

Your company focus remains on profitable growth. The Mutual industry has grown geometrically over the last decade or so. Although the growth numbers are strong, the Mutual Fund Industry has a huge potential going forward. Interestingly Industry folio accounts are at 7.1 Cr which is roughly 5% of population. The bank deposit base of Rs 114 lakh Cr clearly dwarfs the Mutual Fund Industry size. The penetration levels of Mutual Funds in the country remain very low, with an AUM to GDP ratio of 15%. Rural areas across India are gradually getting into the formal financial services fold which offers significant potential for established Industries like Mutual Funds. We are likely to see higher share of flows coming from smaller cities & towns. With a fast-growing Industry and increasing participation, the above factors point toward a significant future potential. Being one of the largest players in the Industry, your Company will continue to invest in growing the market size, achieving product innovation, educating the investors, increasing the distribution reach and enhancing customer service infrastructure. With enhanced presence and large infrastructure, RNAM is ready to capitalize on this growth opportunity.

Sincerely,

Sundeep Sikka

Executive Director & Chief Executive Officer,

MATERIAL DEVELOPMENTS

Investment by Nippon Life Insurance Company

On July 13, 2017, Nippon Life Insurance Company (NLI), an existing equity shareholder holding 44.57% stake in the Company acquired an additional 4.43% stake by way of purchase of equity shares from Reliance Capital Limited (RCL). Post this acquisition, the equity stake of NLI in the Company was increased to 49.00%, and subsequently NLI was also classified as one of the Promoters of the Company along with RCL.

Issue of Bonus Shares

During the year, the Company had allotted 57,60,00,000 number of fully paid up equity shares of face value of ₹ 10/- each in August 2017 to the Members of the Company in proportion of 1:50. After this allotment, your Company's total number of capital base was increased from 1,15,20,000 equity shares to 58,75,20,000 equity shares.

Initial Public Offering

The year 2017-18 has been historic for your Company as the

Company came out with its initial public offering (IPO) and diluted the 10% post issue capital in favor of the public. Both the promoters of the Company (i.e. RCL and NLI) also participated in the IPO by way of an offer for sale component and diluted part of their holdings in favor of the public. The total IPO size was ₹ 1542.24 Crores out of which the Company raised ₹ 616.89 Crores as primary subscription and the remaining proceeds of ₹ 925.37 Crores were towards offer for sale.

After the IPO, both the promoters cumulatively hold 85.76% of the equity paid up share capital of the Company.

Redemption of Preference shares

During the year under review the Company has redeemed all the outstanding 30,00,000 number of preference shares, which were issued by the Company in the previous years.

EMPLOYEES STOCK OPTION SCHEME

With the perspective of promoting the culture of employee ownership and to attract, retain, motivate and incentivize senior as well as critical talent, the Company has formulated 'Reliance Nippon Life Asset Management Limited - Employee Stock Option Plan 2017' ("ESOP 2017" / "Plan") as its stock option scheme, which was launched in August 2017. The Nomination and Remuneration Committee of the Board monitors this Plan.

ESOP 2017 is in compliance with the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (SEBI Regulations).

However, having regard to the provisions of first proviso to Section 136(1) of the Act, the Annual Report excluding the aforesaid information is being sent to all the members of the Company and others entitled thereto. The said information is available for inspection at the registered office of the Company on all working days, except Saturdays between 11:00 A.M. and 1:00 P.M. up to the date of the Meeting. Any member interested in obtaining the same may write to the Company Secretary and the same will be furnished on request.

The Company has received a certificate from the auditors of the Company that the ESOP 2017 has been implemented in accordance with the SEBI Regulations and as per the resolution passed by the members of the Company authorising issuance of the said Options.

COMPLIANCE CULTURE & RISK MANAGEMENT

Your Company is essentially Compliance centric and has a huge focus in this direction. The Compliance function is manned by a dedicated and experienced team of professionals. The Compliance team regularly conducts various educative training programs for various segments within the organization. Your Company thrives towards a culture of 'Total Compliance' and it has a 'Zero Tolerance' policy for non-compliances.

Your Company has a comprehensive Risk Management Policy that envisages an enterprise risk management framework and clearly sets out the objectives & elements of risk management within the organization, including the constitution of a Risk Management department (reporting directly to the CEO and to the Board of Directors), a Risk Management Committee (RMC) and the underlying mechanisms & processes to be used for identification, monitoring and reporting of various categories of risks including credit, market, liquidity and operational risks. There are well documented & Board approved policies & processes which are in place. In addition, proper & adequate Insurance Policies and business continuity planning have also been adequately put into place.

You will note that the basic revenue model of an asset management company is charging of management fees on assets under management provided by the investors. In case of an eventuality where the Company repeatedly fails to comply with regulatory norms with regard to investment restrictions and/ or code of conduct, or if there are repeated & glaring instances of fraud/ front-running then the same may be a catastrophic risk for the enterprise. However, your Directors would like to assure you that such risks are being mitigated by putting into place robust & time tested policies & processes, qualified & professional manpower to run these processes under the aegis & guidance of your Board of Directors, Board Committees and various other internal committees, consisting of its senior employees.

INTERNAL CONTROL SYSTEMS & THEIR ADEQUACY

The Company has an Internal Control System, commensurate with the size, scale and complexity of its operations. To maintain its objectivity and independence, the Internal Auditor reports to the Audit Committee.

The Internal Auditor monitors and evaluates the efficacy and adequacy of the internal control system in the Company, its compliance with operating systems, accounting procedures and policies. Based on the report of the Internal Auditor, process owners undertake corrective action in their respective areas and thereby strengthen the controls. The Risk Management department follows up on pending audit issues and ensures that corrective actions have been taken. Significant audit observations, if any, and corrective actions thereon, are presented to the Audit Committee of the Board.

CORPORATE GOVERNANCE

Your Directors wish to reiterate your Company's commitment to the highest standards of corporate governance in order to enhance the trust of all its stakeholders. Strong and robust corporate governance practices have facilitated your Company in standing up to the continued scrutiny of domestic & international investors and that of the Regulatory authorities.

The report on Corporate Governance as stipulated under Regulation

34(3) read with Para C of Schedule V of the Listing Regulations is presented in separate section forming part of this Annual Report.

A Certificate from the auditors of the Company M/s. B S R & Co. LLP, Chartered Accountants conforming compliance to the conditions of Corporate Governance as stipulated under Para E of Schedule V of the Listing Regulations, is enclosed to this Report.

VIGIL MECHANISM

In accordance with Section 177 of the Act and the Listing Regulations, the Company has formulated a Vigil Mechanism to address the genuine concerns, if any. The details of the same have been stated in the Report on Corporate Governance and the policy can be accessed on the Company's website.

CORPORATE SOCIAL RESPONSIBILITY

EXTRACT OF ANNUAL RETURN

The details forming part of the extract of the Annual Return in form MGT-9 is annexed herewith as Annexure D.

PARTICULARS REGARDING CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

CONSERVATION OF ENERGY:

The operations of the Company do not consume high levels of energy. Adequate measures have been taken to conserve energy wherever feasible. Your Company uses latest technology and energy efficient equipments. As energy cost forms a very small part of the total costs, the impact on cost is not material.

TECHNOLOGY ABSORPTION, ADAPTATION AND INNOVATION:

(i) The efforts made towards technology absorption:

The year 2017-18 witnessed a transformation in terms of communicating mutual funds as a solution to the investors than a product. Across various life stages individuals come across various goals and aspirations and the Company tried to build a strategy to address that need in the form of a mutual fund solution and reach out to new to industry investors. During the year the digital acquisition was further aided by eKYC and Biometric enabled KYCs with solutions providing a simplified process to invest. In line with the above objective, the Company launched various initiatives in this direction and many of these initiatives were first time in the Industry. Some of those initiatives are as follows:

- Launch of Smart Tax & Gold Invest solutions on Simply Save app for customers
- Enabled Aadhaar OTP based eKYC and Aadhaar Biometric based full KYC to assist distributors acquiring new investors and provide the ease of on-boarding for the investor(s)
- Revamped website for the distributor(s) to provide ease of transactions, campaigns and other such transactions & add-on features
- Aadhaar OTP based E-mandate for all banks under the eNACH gateway of NPCI to enable easy registration for regular payments like SIP, also single mandate good enough for multiple offerings up to the total limit of the mandate, hence ease of further investments
- Enabled digital campaigns for distribution partners on through our systems enabling them to reach out to existing and new investors and enable transactions in a paperless form.

(ii) Benefits derived out of the above initiatives:

Financial year 2017-18 witnessed a substantial growth in the number of purchases done digitally on our assets, some statistics as follows:

- 2X growth in purchase transactions.
- Average number of purchase transactions on own assets

per month being over 53,000 with highest being over 82,000.

- Integration of our Assets on partners websites contributing over 10K purchase transactions per month.
- Digital purchases being >1.2 times more than largest distributors total Purchases.
- Mobile to Web ratio increasing towards mobile with every third digital purchase transaction concluding on mobile.

RESEARCH AND DEVELOPMENT:

Digital as a segment is gaining even higher importance with data charges getting lower, access getting household & communication becoming even critical. With Aadhaar aiding digital prowess it is but natural that digital aid would be instrumental in reaching out the large untapped blue ocean with respect to financial services, especially mutual funds. We as an AMC are one of the first to react to this opportunity and are very much committed to continuously provide simplified process and solutions over the digital platform to our investors. The team is focused and the management continues to drive the idea of taking mutual fund solutions to the household through digital interfaces.

FOREIGN EXCHANGE EARNINGS AND OUTGO:

During the year under review, the Company earned foreign exchange equivalent to ₹ 28.69 Crore (Previous Year: ₹ 26.06 Crore). The Company spent foreign exchange equivalent to ₹ 8.35 Crore/- (Previous Year: 6.59 Crore)

ANNEXURE - B

NOMINATION AND REMUNERATION POLICY

1. Introduction

Reliance Nippon Life Asset Management Limited ("the Company" or "RNAM") considers human resource as its invaluable assets. This policy aims to harmonise the aspirations of the Directors/ CEO & other employees with the goals of the Company. The Policy on nomination and remuneration of Directors, CEO & Senior Management Personnel ("SMP") and all other employees has been formulated as below.

2. Objective

- a. Ensuring that the quantum and composition of remuneration is reasonable and commensurate to attract, retain and motivate employees to participate in sustenance and fostering the growth of the Company;
- b. Laying out remuneration principles for employees linked to their efforts, performances and achievement in comparison with the benchmarks;
- c. Ensuring that the annual compensation review considers the industry / business outlook and strategies adopted by peers in the industry and distinguishing employees based on their performance, potential, skill sets and to protect the employees against inflationary pressures;
- d. Retention of high performers at all levels and those playing critical roles.

3. Scope

The Board has constituted the Board Nomination and Remuneration Committee pursuant to the provisions of Section 178 of the Companies Act, 2013 and the rules made thereunder read with the Corporate Governance Guidelines as per SEBI guidelines. This Policy sets out the broad guiding principles for the Committee for recommending to the Board the remuneration of the Directors, CEO, Senior Management Personnel (SMP) & all other employees of the Company.

4. Definitions

- a. 'Board' means Board of Directors of the Company;
- b. 'Director' means a Director appointed on the Board of the Company;
- c. CEO means a Chief Executive Officer appointed by the Board of the Company;
- d. Senior Management Personnel ("SMP") means: All employees in Impact Level 1 (IL-1) Grade.

5. Performance Management Process

We have a robust Performance Management & Review process which forms the basis of Compensation Review & Career Progression at Reliance Nippon Life Asset Management Limited. The formal Annual Performance Review Process is initiated by the Human Resources function in the beginning of April every year, with an email communication from HR to all the employees of the Organisation.

Performance rating for the employees is largely based on their KPI achievements for last financial year along with their competency displayed and their potential. We also capture Employee's Potential displayed on the job as Very High, High, Medium & Low, i.e. his/her ability to work at the next levels.

6. Remuneration to the CEO, SMP & all Other Employees

6.1.A. CEO's Fixed Cost & PLI

- i. NRC will resolve the actual amount of the CEO's fixed cost / PLI and recommend them to the Board of Directors for approval and other components.
- ii. Board of Directors approves the Compensation for the CEO.

6.1.B. CEO's ESOP

- i. NRC will resolve the actual value of ESOP Grant and recommend them to the Board of Directors for approval.
- ii. Board of Directors approves the ESOP Grant for the CEO.

6.2.A. Remuneration of Senior Management Personnel (SMP) at IL1 Level and all Other Employees - Fixed Cost & PLI

- i. The NRC will approve the upper limits for both the increment & PLI for all the employees including SMP at IL1 Level.
- ii. CEO determines the total amount of increment & PLI payable to the SMP and all other Employees which is within the maximum amount approved by the NRC.
- iii. CEO & CHRO determine each of such employee's increment (Fixed CTC) / PLI within the total amount.
- iv. NRC is informed of the final numbers after the payouts to SMP and Other Employees.

6.2.B. ESOPs to Senior Management Personnel (SMP) at IL1 Level & all Other Employees

- i. The NRC would approve the total value of grant to SMP and all Other Employees.

- ii. NRC will decide & approve the number of Options to be granted and the maximum number of Options that can be granted to each Employee.

7. Nomination & Remuneration of the Directors

- a. While considering the candidature of any person for the office of the Director, the Committee would consider the integrity, qualification, positive attributes, independence, area of expertise, previous achievements and number of directorships & memberships already held by that person. The Committee would also review the skill set held by that person, ability to contribute to the Company's growth and complementary skills in relation to the other Board Members. Based on the Committee's recommendation, the Board would further consider and take the appropriate decision in this regard.
- b. The remuneration of Directors / Managing Directors / Whole-time Directors shall be governed by the provisions of the Companies Act, 2013 and the rules made thereunder, from time to time and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- c. Non-Executive Directors shall be entitled to receive the Sitting Fees for attending the meetings of the Board and the Committees thereof, as approved by the 'Board of Directors' from time to time. However, any Director, who is in employment of any of the Reliance Group Companies, shall not be entitled for the payment of the Sitting Fees. The Board upon the recommendation of the Committee, shall review the Sitting Fees, from time to time, subject to the limits, as specified under the Companies Act, 2013 or rules made thereunder.
- d. Upon the recommendation of the Nomination and Remuneration Committee, the Board shall review and approve the other components of the remuneration payable to the Directors (including Non-Executive Directors) of the Company, within the overall limits as specified under the Companies Act, 2013 (including rules

made thereunder) and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, and if required, the same shall be placed for the consideration and approval of the Shareholders.

8. REMUNERATION STRUCTURE FOR ALL EMPLOYEES

The Remuneration structure shall include the following components:

- i. Fixed Pay;
- ii. Performance Linked Incentive / Variable Pay Plan;
- iii. Retiral & Other Benefits;
- iv. Onetime Payments;
- v. Stock Options;
- vi. Retention Bonus & Long Term Incentives;
- vii. Ex Gratia;
- viii. Any Other Perquisites & Allowances.

Remuneration shall be assigned as per the grade/band of the incumbent and according to the qualification and work experience, competencies as well as their roles and responsibilities in the Organization. There will be various factors which will be considered for determining their compensation such as job profile, potential, skill sets, seniority, experience, performance and prevailing competition remuneration levels for equivalent jobs.

9. Retention Features as part of Compensation Package

Based on the organizational need for retaining performing employees and those in critical roles, certain retention features may be rolled out as part of the overall compensation package. These may take form of Retention Bonuses (RBs); Long-term Incentives (LTIs), Ex Gratia, Employee Stock Options, etc.

10. Modification and Amendment

The policy is subject to modification, amendment and alterations by the Management as appropriate.

Management Discussion and Analysis

I. INDIAN ECONOMIC OVERVIEW

The Indian economy is at a cusp of a sustained recovery. Owing to the adjustments related to two major events i.e. demonetisation and implementation of GST, India's GDP growth moderated from 7.1% in 2016-17 to 6.6% in 2017-18. While GST implementation has advanced well, the Government continued with other major reforms, particularly in the field of corporate insolvency resolution via National Company Law Tribunal (NCLT). There are various factors which points toward steady recovery in growth in 2018-19. These include a) higher government spending ahead of the general elections, b) strong global growth helping exports of both goods and services, c) strong rural demand aided by normal monsoon, d) continued buoyancy in urban indicators, e) positive labour market conditions, f) pickup in spending in key infra sectors like roads, irrigation and power transmission, and g) recovery in labour intensive sectors, which were impacted by GST implementation. The RBI forecast that 2018-19 real GDP growth may accelerate to 7.4%.

Improvement in the country's business environment stabilised India's ranking in the global competitiveness index prepared by the World Economic Forum in 2017. This is also validated as India jumped 30 positions to be ranked among the top 100 countries in the World in the ease of doing business criteria.

Direct tax collection has grown by 17.1% to cross ₹ 10 lakh crore in 2017-18, a significant improvement due to the higher formalisation of the economy, evident from the additional 1 crore. taxpayers brought under the tax net in 2017-18.

Inflation continued its downtrend, with Consumer Price Index inflation averaging 3.6% in 2017-18 versus 4.5% in 2016-17, primarily due to lower food prices. As the growth recovery is on a firm footing and favourable base has subsided, the inflation has also started to normalise in the recent months. The RBI forecasts the CPI inflation to be between 4.8% - 4.9% in H1 2018-19 and 4.7% in the H2 2018-19, including the House Rent Allowance impact for central government employees.

As both growth and inflation has normalised, the RBI delivered its first-rate hike in over 4 years in June 2018. After the token 25 basis points hike, the repo rate stands at 6.25%. As per the RBI, current monetary stance is neutral and further rate action will be data dependent. After a sharp decline in Government bond yields post demonetisation, the G-Sec yields have hardened in the H2 2018-19 as macro conditions normalised. 10-year G-Sec yields jumped over 100 basis points from the low made in the second quarter of 2017-18.

Household savings

Financialisation of household savings has been a potent theme, underlined by a steady shift in recent years from physical assets like gold and real estate to financial instruments such as equities, mutual funds and life insurance products. The shift is largely due to falling or stagnating returns in real estate and gold opposed to high returns in equity and debt markets, thereby increasing the attractiveness of financial assets. As per the latest available data for 2017, financial savings is about 57% of the total household savings with a headroom to grow even further driven by structural drop in inflation and ongoing formalisation of economy. Within financial assets, the share of non-bank deposit instruments like mutual funds, insurance, etc. is on the rise.

II. MUTUAL FUND SECTOR

Industry Overview

The Indian Mutual Fund industry continued to witness robust growth in assets under management (AUM). The industry is witnessing strong growth in recent years, with AUM doubling in past three years and having grown almost five times in past ten years.

The industry witnessed a stellar 26% growth in Q4 AAUM 2017-18 to touch ₹ 23,05,200 crore from ₹ 18,30,600 crore in Q4 AAUM 2016-17, adding AUM of ₹ 4,75,600 crore. Retail inflows (investments less than ₹ 5,00,000) have also been robust, having registered 40% growth over the previous year. Retail investors have contributed ~37% to the incremental industry assets. Equities accounted for most of these flows during the year, reflecting the increasing risk appetite and confidence of retail investors. Out of the nearly ₹ 4,75,600 crore growth witnessed in mutual funds in 2017-18, close to 60% ₹ 2,84,000 crore was contributed by equities. The growth in industry assets was supported by investor awareness campaigns by Association of Mutual Fund of India (AMFI) like "Mutual Funds *Sahi Hai*" and strong retail participation especially from smaller cities and towns.

Industry Trends:

Investors’ preference for mutual funds is evident by the increase in the number of folios, which is a rough estimate of the number of investors. The mutual fund (MF) industry added nearly 1.6 crore folios during 2017-18, taking the total number of folios to 7.13 crore. Individual investors account for 99% of the folios, though the contribution to the AUM is approximately 55%. The total number of retail investor folios increased from 5.23 crore as on March 2017 to 6.71 crore as on March 2018, an addition of 1.48 crore folios. Much of the folio addition came through Systematic Investment Plans (SIP), where investors commit to invest regularly over a specified period of time.

T-15 and B-15 AUM:

The top 15 cities or T-15 cities, held the majority of the mutual fund assets with a share of 81%, whereas beyond the top 15 or B-15 cities held 19% of assets as on March 2018. However, investment inflows and assets B-15 cities have grown faster at 39% CAGR compared with 27% CAGR for T-15 cities between March 2016 to March 2018. Contribution of B-15 locations has increased from 16% of monthly average assets under management (MAAUM) in March 2016 to 19% in March 2018. B-15 towns witnessed 38% AUM growth in 2017-18 to touch ₹ 4.26 lakh crore whereas T-15 town AUM grew by 19% during the same period to touch ₹ 18.44 lakh crore.

Asset typewise classification

The Mutual Fund AUM is bifurcated into various asset classes like Equity, Debt, ETF and Liquid. The retail investors tend to invest a higher proportion of their assets in equity-oriented funds, which are positioned as long-term investment products, while the majority of corporate investments are into debt and liquid/money-market funds. The average ticket size is higher for liquid and debt-oriented schemes which are dominated by institutional investors.

As on March 2018, Equity Assets contributed 41% of total industry MAAUM while Debt AUM stood at 34%, followed by 20% Liquid Assets and ETF 4%. During the year, Equity AUM has grown by 53% from 6.10 lakh crore to 9.31 lakh crore while Debt, Liquid and ETF grew by 3%, 10%, 63% respectively.

Source: AMFI

Equity assets have a longer average holding period as compared to non-equity assets. As of 31 March 2018, 30% of equity assets have been held for period greater than 24 months, while 19% had been held for a period between 12 and 24 months. In comparison, assets held for over 24 months and between 12 and 24 months attributed to 23.8% and 17% respectively of the non-equity AUM. The main reason behind this trend is the difference in the primary investor base for the two segments. Individual investors are the main investor segment for equity schemes and attribute to nearly 85% of the average AUM. Similarly, the institutional investor segment dominates the debt scheme AUM, attributing to about 72% of the AUM.

Source: AMFI

Comparison of top 10 players versus the industry:

The Indian mutual fund industry remains concentrated with the ten largest AMCs contributing over 80% of the industry’s total AUM since March 2016. Currently, top 10 players manage ₹ 18,62,800 crore of QAAUM, which accounts for 80.8% of the industry AUM.

Investorwise AUM

Mutual fund investor base comprises individual investors as well as institutional investors. Individual investors include retail as well as high net worth individuals (HNI). There are three main channels for mutual funds distribution namely Banks, National Distributors and Independent financial advisors (IFAs). Distributors play an important role for disseminating information to Individual investors which account for 87% of the individual MAAUM. Institutional investors, which include corporate, banks and FII/FPI, have higher share of direct investments.

The retail investor MAAUM increased from ₹ 3,82,400 crore in March 2017 to ₹ 5,35,205 crore in March 2018, reporting a growth of 40%, whereas HNI investor MAAUM increased from ₹ 4,70,342 crore in March 2017 to ₹ 6,30,420 in March 2018, reporting a growth of 34%. The growth for retail investor was higher for the B-15 locations, wherein the retail investor MAAUM increased from ₹ 1,44,400 crore to ₹ 2,12,400 crore, reporting a growth of 51%.

The institutional investor MAAUM increased from ₹ 10 lakh crore in March 2017 to ₹ 11 lakh crore in March 2018, reporting a growth of 10%.

Strong inflows through Systematic Investment Plans

Systematic Investment Plan or SIP, as it is commonly known, is an investment plan offered by mutual funds where one could invest a fixed amount in a scheme periodically at fixed interval like, once in a month. SIP has gained significance in the recent years, especially among individual investors. According to AMFI, the total inflow through SIPs in 2017-18 was 67,190 crore and has grown by 53% since previous year. The total number of SIP accounts stood at 2.11 crore as of March 2018, with an addition of 76 Lakh accounts since March 2017. In addition to a gradual increase in participation from the retail segment, the rising prominence of SIPs also lends stability to industry inflows.

Following chart sets forth the growth in SIP since March 2017

Regulatory Update

Recently, the Mutual Fund Regulator, SEBI, mandated a framework under which standard categories of schemes have been defined and AMCs are allowed to have only one scheme under each category. Accordingly, the schemes have been broadly categorised under five groups: Equity schemes, Debt schemes, Hybrid schemes, Solution-oriented schemes and other schemes. Further, 36 categories of schemes and their detailed features have been defined under these groups. The exercise has resulted in some schemes getting merged, or changing some of their fundamental attributes. Many AMCs have already carried out the necessary changes, and the entire exercise is expected to be completed in the near term.

SEBI has also changed the definition of top cities and the additional incentive would be allowed only for inflows from beyond top 30 cities (B-30). SEBI announced a 15bps cut in fees for mutual funds by lowering an additional charge from 20bps to 5bps. SEBI had also mandated online disclosing of Total Expense Ratio (TER) of all schemes under separate heads daily, in addition to AMC’s need to intimate investors of any change in TER.

Growth Drivers

Major growth drivers for the industry include favourable demographic profile with a young working population, rising

disposable incomes and financial literacy and the low penetration of mutual funds in the country. The industry is on a strong footing given improving macroeconomic conditions and positive capital market indicators.

Household savings have witnessed a steady shift from physical assets like gold and real estate to financial instruments such as mutual funds in the recent years.

Individual investors are the growth drivers for mutual fund assets. Increased awareness and investor education by Association of Mutual Funds in India (AMFI), and strong emphasis by the Securities and Exchange Board of India (SEBI) towards enhancing regulation has strengthened investor confidence and played a significant role in the growth of the industry. Financialisation of household savings has also led to a surge in mutual funds investments as an easy vehicle to gain exposure to equity market.

Digitalisation has helped to widen the distribution network and popularise mutual fund schemes especially among the young and new investors. The growth in net tax payers has led to a direct growth in tax saving mutual fund options like Equity Linked Savings Scheme and New Pension Scheme. The industry growth has also been supported by deployment of incremental Employee Provident Fund Office flows into equity markets.

Outlook

The Indian mutual fund industry is poised for robust growth in the coming years with expectations of 20% CAGR between 2017-18 and 2021-22, with the average AUM expected to grow to ₹ 45,00,000 crore by March 2022, as per AMFI. However, led by increase in retail participation, financialisation of savings in India and expectation of buoyant capital markets can accelerate growth.

III. ALTERNATIVE INVESTMENT FUNDS

Alternative Investment Fund or AIF means any fund established or incorporated in India which is a privately-pooled investment vehicle which collects funds from sophisticated investors, whether Indian or foreign, for investing it in accordance with a defined investment policy for the benefit of its investors.

Investment in an unconventional type of security or asset, apart from the traditional forms is commonly referred to as alternative investment. AIFs could be in the form of trust, company, limited liability partnership or body corporate which is established or incorporated in India. SEBI has identified three categories of AIFs based on investments.

Current size of AIF industry is ₹ 85,276 crore, which comprises Category I Funds managing ₹ 10,794 crore, Category II managing ₹ 50,451 crore, Category III managing ₹ 24,031 crore as on 31 March, 2018 (Source: SEBI).

IV. PORTFOLIO MANAGEMENT SERVICES (PMS)

Portfolio Management Services (PMS) is an investment management service offered by banks, brokerage houses, wealth managers and asset management companies to wealthy investors, like high net worth individuals, or institutions. PMS is broadly divided into discretionary and non-discretionary, with the portfolio manager independently or with direction of client managing the funds. The minimum investment amount under PMS is ₹ 25,00,000. Every portfolio is customised on the basis of investor goals and risk appetite.

V. PENSION FUND

National Pension Scheme (NPS), launched in 2004, is a voluntary defined contribution retirement scheme administered and regulated by Pension Fund Regulatory and Development Authority (PFRDA). This scheme has already been made mandatory for Central Government employees who joined their service on or after 1 January 2004 (except the armed forces). Most of the state governments have also joined NPS for their employees, who joined their service on or after 1 January 2004. Central Government employees who have joined services on or after 1 January 2004 will contribute 10% of Salary and DA and matching contribution by government. While the scheme was initially designed for government employees only, it was opened up for all citizens of India in 2009 and it is an attempt by the government to create a pensioned society in India.

Currently, there are eight pension fund managers in the country. NPS offers an option to invest in four broad categories of investment - equity, corporate bonds, government securities and alternate investment schemes. It offers a deduction of ₹ 50,000 from taxable income under Section 80 CCD (1B) over and above the Section 80C limit under the Income Tax Act, 1961 of ₹ 1,50,000. The cap of equity investment has been increased to maximum limit of 75% from current permissible limit of 50% in active choice for private sector subscribers under NPS, with tapering off the equity allocation after attaining the age of 50 years by subscriber.

IX. COMPLIANCE

The Company considers compliance a crucial pillar of business operations. The management is committed to comply with the

letter and spirit of the laws, rules and ethical principles that govern the business. SEBI outlines the compliance framework with respect to the various businesses of the Company. The Company operates in the financial services sector, and thus all the businesses are highly regulated and monitored on an ongoing basis by the regulator. Considering the very nature of the business and keeping in mind the interests of unit holders and clients/customers, highest standards in terms of statutory compliances and governance are practised. This role has been entrusted to a strong and robust in-house Compliance Team, which has an independent reporting line to the Board of Directors.

The Company has put in place a set of practices to ensure complete and error-free compliance management:

The Company's Board of Directors periodically reviews and approves the various policies and processes of compliance, which forms an integral part of the organisational DNA. Various committees of the Board and the Company's management have also been set up to fulfil relevant regulatory requirements, and to ensure effective implementation of diligence and controls wherever required. Strong and effective systems and controls have also been set up and implemented in order to ensure that compliance and governance standards are diligently followed without exception.

The compliance culture is practised at each and every level within the organisation. The Company believes in complete transparency and full disclosures to its investors, stakeholders and most importantly, the Regulator.

X. RISKS AND CONCERNS

RNAM is exposed to specific risks that are particular to its businesses and the environment within which it operates, including credit risk, operational risk, competition risk, regulatory risk, human resource risk, execution risk, information security risks and macro-economic risks.

Competition Risk

The financial sector industry is becoming increasingly competitive and the Company's growth will depend on its ability to compete effectively. The Company's main competitors are Domestic Mutual Funds, Portfolio Management Services and Alternate Investment Funds. Further liberalisation of the Indian financial sector could lead to a greater presence or entry of new foreign asset managers offering a wider range of products and services. This could significantly toughen the competitive environment. The Company's strong brand image, wide distribution network, diversified product offering and quality of management place it in a strong position to deal with competition effectively.

Market Risk

The Company has quoted and unquoted investments in equity, debt & mutual funds which are exposed to fluctuations in the prices of underlying assets.

Credit Risk

The Company has quoted and unquoted investments in bonds and debt-oriented mutual funds; thus the risk arising out of default or failure on the part of borrowers in meeting their financial obligations towards repayment of principal and interest exists. Thus credit risk is a loss as a result of non-recovery of funds both on principal and interest counts. This risk is comprehensively addressed by spreading the investments into multiple bonds and mutual funds spread across multiple issuers.

Liquidity and Interest Rate Risk

The Company is exposed to liquidity risk principally, as a result of investments for periods which may differ from those of its funding sources. This risk is mitigated as all the investments are done through accumulated surplus generated over a period of time and equity infusion.

Human Resource Risk

The Company's success depends largely upon the quality and competence of its management team and key personnel. Attracting and retaining talented professionals is therefore a key element of the Company's strategy and a significant source of competitive advantage. While the Company has a salary and incentive structure designed to encourage employee retention, a failure to attract and retain talented professionals, or the resignation or loss of key management personnel, may have an impact on the Company's business, its future financial performance and the results of its operations.

Operational Risk

The Company may encounter operational and control difficulties when commencing businesses in new markets. The rapid development and establishment of financial services businesses in new markets may raise unanticipated operational or control risks.

Such risks could have a materially adverse effect on the Company's financial position and the results of its operations.

The operations of the Company have been extensively automated which minimises the operational risk arising out of human errors and omissions. A robust system of internal controls is practised by RNAM to ensure that all its assets are safeguarded and protected against loss from unauthorised use or disposition and all its transactions are authorised, recorded and reported correctly. The Audit Committee of Board periodically reviews the adequacy of the internal controls. The Company is relentlessly focussed on quality parameters and has a dedicated quality team to proactively identify and address operational issues. The mandate of the quality team is also to work closely with various business teams to bring about operational efficiencies and effectiveness through Six Sigma initiatives. It is pertinent to note that Reliance Nippon Life Asset Management Limited have obtained an ISO 9001:2008 certification. They are among the few companies in their respective industries to be ISO certified.

Information Security Risk

RNAM has robust Information Security Risk monitoring systems and tools to guard and protect sensitive customer data and guard against potential hackers and viruses. The Information Security team is governed by the Information Security Risk Management Committee. Robust governance, controls and sophisticated technology is adopted across lines of business to ward off cyber threats and protect information residing within the Company.

Information Security has been brought under the Enterprise Risk Management Framework to enhance data protection and ward off cyber risks effectively, thereby making the overall Risk, Control & Governance framework more robust.

Regulatory Risk

As an entity in the financial services sector, the Company is subject to regulations by Indian governmental authorities, including the Securities and Exchange Board of India.

Their laws and regulations impose numerous requirements on the Company. There may be future changes in the regulatory system or in the enforcement of the laws and regulations that could adversely affect the Company's performance.

Macro-economic Risk

Any slowdown in economic growth in India could cause the business of the Company to suffer. Similarly, any sustained volatility in global commodity prices, including a significant increase in the prices of oil and petroleum products, could once again spark off a new inflationary cycle, thus causing upward interest rate movements and volatility in stock markets thus affecting the saving potential of investors.

XI. TRAINING AND INVESTOR EDUCATION

The Company has been at the forefront of spreading awareness on mutual funds through its Investor Awareness / Education Programmes. The objective of these programmes is to create awareness about mutual funds across the country to attract new investors into mutual funds. Reliance Mutual Fund has adopted 19 districts across the country as part of the SEBI-adopted districts programme and conducted the Investor awareness programmes at these districts. A total of 99 programmes were conducted across these 19 districts covering 4,203 investors.

Also during 2017-18, the Company conducted 1,637 programmes pan India covering over 82,534 investors. The split across B-15 and T-15 cities is as below:

T-15		B-15		Total	
Conducted	Participants	Conducted	Participants	Conducted	Participants
449	22,663	1,188	59,871	1,637	82,534

XII. INFORMATION TECHNOLOGY & DIGITAL INITIATIVES

Platforms like Business Easy and Simply Save have been built to ensure that both distributors and customers have their financial investment with reliance at their fingertips. Our Mobile Apps are cutting edge and a primary tool that allows customers to stick around with us. Parallely tools like non PAN-based Aadhar on-boarding, smoothen the road for new users to come in the Mutual fund foray and avail of the huge scope and growth industry.

Our products are Solution-based that allows for new and existing users to plan based upon their life goals. This ranges from tax solutions for self, gold solutions for festivals or marriages, child solutions to protect and prosper one's next generation or a solid retirement solution to brighten up the golden years. These over the

counter products are digital-savvy and simple, thus attracting the right mix of the evolved and new to MF customer always.

The Company has a strong social media presence across platforms like Facebook, Twitter, Instagram and YouTube.

XIII. INTERNAL CONTROLS

The Company maintains a system of internal controls designed to provide a high degree of assurance regarding the effectiveness and efficiency of operations, the adequacy of safeguards for assets, the reliability of financial controls, and compliance with applicable laws and regulations.

The organisation is well-structured and the policy guidelines are well-documented with pre-defined authority. The Company has also implemented suitable controls to ensure that all resources are utilised optimally, financial transactions are reported with accuracy and there is strict adherence to applicable laws and regulations.

The Company has put in place adequate systems to ensure that assets are safeguarded against loss from unauthorised use or disposition and that transactions are authorised, recorded and reported. The Company also has an exhaustive budgetary control system to monitor all expenditures against approved budgets on an ongoing basis.

The Company uses information technology extensively in its operations for ensuring effective controls besides economy. It also helps the Company in providing accurate MIS and prompt information / services to its customers and other stakeholders. The Company has implemented enhanced level of Information System Security controls with monitoring systems to address technology risks.

The Company has an independent internal audit function which continuously evaluates the adequacy of, and compliance with, policies, plans, regulatory and statutory requirements. Risk-based approach is adopted while carrying out the audits. Internal audit also evaluates and suggests improvement in effectiveness of risk management, control and governance process. The Audit Committee of Board provides necessary oversight and directions to the internal audit function and periodically reviews the findings and ensures corrective measures are taken.

XIV. HUMAN RESOURCES

The Company had a workforce of 1,172 people as on 31 March 2018. The average age of the workforce is 34 years.

Corporate Governance Report

CORPORATE GOVERNANCE PHILOSOPHY

Reliance Nippon Life Asset Management Limited (the "Company") follows the highest standards of corporate governance principles and best practices. The Company's corporate governance practice is guided by the core principles of transparency, disclosure, accountability, compliances, ethical conduct and the commitment to promote the interests of all stakeholders.

GOVERNANCE PRACTICES AND POLICIES

The Company has formulated number of policies and has introduced several governance practices in order to not only comply with the applicable statutory and regulatory requirements but to also ensure transparency, integrity of financial reporting, adequate risk management, internal controls along with appropriate & rightful conduct at Board and Senior Management Level. These policies are reviewed periodically and it is ensured that their continued relevance, effectiveness and responsiveness are adequately maintained with respect to the needs of our stakeholders.

A. Values and commitments

We believe that any business conduct can be ethical only when it rests on the nine core values viz. honesty, integrity, respect, fairness, purposefulness, trust, responsibility, citizenship and caring.

B. Code of Conduct

Our policy document on 'Code of Conduct' requires our employees to conduct the business with impeccable integrity and by excluding any consideration of personal profit or advantage.

C. Business policies

We have various 'Business Policies' specifically covering a comprehensive range of aspects such as fair market practices, inside information, financial records and accounting integrity, external communication, work ethics, personal conduct, policy on prevention of sexual harassment, whistle blower policy, health, safety, environment and quality, to name a few.

D. Separation of the board's supervisory role from executive management

In line with the best global practices, we have adopted the policy of separating the Board's supervisory role from the executive management.

E. Risk management

We have strong and robust risk management systems & procedures, which facilitate the management to adequately & suitably mitigate and control various business related risks.

F. Compliance Management

Our Compliance management systems are robust and tight enough to ensure that all kinds of compliance requirements are effectively managed without any exceptions and deviations. Culture of Compliance is considered a way of life and the organization has a zero tolerance policy for non-adherence.

BOARDROOM PRACTICES

(a) Board Constitution

The composition of our Board is governed by the provisions of the Companies Act, 2013 ("Companies Act"), SEBI (Mutual Funds) Regulations, 1996 ("Mutual Fund Regulations") and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). The Board currently consists of 8 directors out of which, 4 are Independent Directors. We also have one whole-time Director who is designated as "Executive Director & CEO". Directors of the Company collectively bring along, a rich and varied blend of experience in multiple segments including asset management, insurance, credit & alternative investments, corporate planning, banking, lending, compliance management, taxation planning & public administration within India and abroad, which immensely benefits the Company.

(b) Board & Management Committees:

Pursuant to the provisions of the Companies Act and the Listing Regulations, the Board has constituted Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee and Corporate Social Responsibility Committee as the Board's Sub Committees.

In addition to this, in order to enhance the internal controls and governance in Company's business, the Board has also constituted various management level committees including Investment Committee, Valuation Committee, Operating Committee, Risk Management Committee and Compliance Committee, to name a few.

The scope of activities and the terms of reference of these management committees have been set out by the Board. The proceedings of the meetings of these management committees are recorded in the forms of minutes, which are also placed before the Board for its reference & noting.

(c) Selection of Independent Directors

Considering the requirement of skill sets on the Board, eminent people having an independent standing in their respective field/profession, and who can effectively contribute to the

Company's business and policy decisions are considered by the Nomination and Remuneration Committee ("NRC"), for appointment, as Independent Directors on the Board. The Committee, *inter-alia*, considers qualification, various qualitative attributes, area of expertise and number of Directorships and Memberships held in various committees of other companies by such persons. The Board considers the recommendations of the NRC before taking appropriate decisions in this regard.

Every Independent Director, at the first meeting of the Board in which she / he participates as a Director and thereafter at the first meeting of the Board in every Financial year, furnishes the required declaration that she / he meets the required criteria of independence, as has been provided under the law.

(d) Tenure of Independent Directors

It is ensured that the tenure of Independent Directors on the Board of the Company is in line with the time period stipulated under the provisions of the Companies Act (as amended from time to time) and the circulars /notifications issued from time to time.

(e) Familiarisation of Board Members

The Board members are periodically provided with an update with respect to the Industry, domestic and global economic scenarios, ongoing trends in capital markets, Company's business plan and strategies, new business initiatives, internal controls, training & education initiatives, performance review, regulatory developments and various other aspects, which are pertinent to keep them updated and familiarized with respect to Company and its business.

The details of programme for familiarisation of independent directors is put on the website of the Company at the following link:

<https://www.reliancemutual.com/InvestorServices/Pages/familiarization-programme.aspx>

(f) Meeting of Independent Directors

As required under the Companies Act, at least one separate meeting of the Independent Directors is held every financial year to discuss and transact matters, which have been stipulated under the relevant laws. At the Board meetings, not only the Independent Directors, but the entire Board periodically interact with various key members of the operating teams in order to discuss matters concerning operating policies and procedures, risk management strategies, measures to improve efficiencies, performance and compensation, strategic issues for Board consideration, flow of information to directors, management progression, business plans, and such other aspects, as they may determine. The Independent

Directors and rest of the Board members have an unrestricted access to these key members of the operating team, so that as and when necessary, the Board members may engage with them in order to understand & discuss relevant business aspects.

(g) Board of Subsidiary Companies

All the subsidiaries of the Company are being managed by their respective Boards in accordance with the stipulated regulatory framework and in the best interest of their respective stakeholders. The performance of these subsidiary companies are periodically monitored by the Company. As part of the Listing Regulations, the minutes of the Board meetings of these subsidiary companies are also placed before the Company's Board for information purposes.

(h) Commitment of directors

The meeting dates for the Board and committee meetings are scheduled well in advance in due consultation with the Directors. This enables the Directors to plan their commitments and it thus facilitates maximum attendance at such meetings.

(i) Role of the Company Secretary

The Company Secretary of the Company plays a key role in ensuring that the Board procedures are followed and regularly reviewed. The Company Secretary ensures that all relevant information, details and documents are made available to the directors for effective decision making at the meetings. The Company Secretary is primarily responsible, to assist and advise the Board in the conduct of affairs of the Company, to ensure compliance with applicable statutory requirements and Secretarial Standards, to provide guidance to directors and to facilitate convening of meetings. He interfaces between the management and regulatory authorities for governance matters. All the Directors of the Company have access to the advice and services of the Company Secretary.

(j) Independent Statutory Auditors

The Company's accounts are audited by a leading independent audit firm namely M/s. B S R & Co. LLP, Chartered Accountants. The term of M/s. B S R & Co. LLP is going to end at the ensuing annual general meeting of the Company. The Board has recommended the appointment of M/s. S. R. Batliboi & Co. LLP, Chartered Accountants for being appointed as the Statutory Auditors of the Company for the consideration and approval of the Members at the ensuing annual general meeting.

- None of the Directors has received any loans and advances from the Company during the year.
- All the independent directors of the Company furnish a declaration at the time of their appointment as also annually that they qualify the conditions of their being independent. All such declarations are placed before the Board.

2. Conduct of Board proceedings

The day-to-day business is conducted by the executives and the business heads of the Company under the general supervision & directions of the Board. While the statutory requirement in terms of the number of Board meetings to be held in a year is only four (4) meetings; a much higher number of Board meetings are held in a year in order to ensure maximum & timely disclosures, best governance and effective

decision making. Various matters concerning Company's business, its operations, risk management, internal controls, compliance management, performance review, business strategies, business plans and budgets, audit matters and other pertinent issues are taken up and are thoroughly reviewed and deliberated at the Board meetings.

The Board performs the following specific functions in addition to overseeing the business and the management:

- Reviewing and guiding corporate strategy, major plans of action, risk policy, annual budgets and business plans; monitoring implementation and corporate performance; and overseeing major capital expenditures and acquisitions.
- Monitoring the effectiveness of the Company's governance practices and making changes when needed.
- Providing guidance and directions to the management in matters relating to the performance review & compensation process of directors and providing general guidance in terms of overall compensation policy and matters relating to succession planning in order to ensure that the key executives are appropriately aligned with the long term interests of the Company and its shareholders.
- Ensuring a transparent board nomination process with the diversity of thought, experience, knowledge, perspective and gender in the Board.
- Monitoring and managing potential conflicts of interest of management, board members and shareholders, including misuse of corporate assets and abuse in related party transactions.
- Ensuring the integrity of the Company's accounting and financial reporting systems, including the independent audit, and that appropriate systems of control are in place, in particular, systems for risk management, financial and operational control, and compliance with the law and relevant standards.
- Overseeing the process of disclosure and communications.
- Monitoring and reviewing Board Evaluation framework.

25 April 2018

Dear Sirs

Independent Auditor's Certificate on Corporate Governance

We have examined the compliance of conditions of Corporate Governance by Reliance Nippon Life Asset Management Limited ('the Company') for the year 1 April 2017 to 31 March 2018, as per regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of regulation 46 and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure requirements) Regulations, 2015 (the 'Listing regulations').

Management's responsibility

The Company's management takes full responsibility for complying with the conditions of corporate governance as stipulated in the Listing regulations mentioned above. This responsibility includes the design, implementation and maintenance of corporate governance process relevant to the compliance of the conditions. Responsibility also includes collecting, collating and validating data and designing, implementing and monitoring of Corporate Governance process suitable for ensuring compliance with the Listing regulations.

Auditor's responsibility

Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We conducted our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the Institute of Chartered Accountants of India ('ICAI'). The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

Auditor's responsibility (Continued)

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

In our opinion and to the best of our information and according to explanations given to us, the Company has complied in all material respects, with the conditions of Corporate Governance as specified in regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of regulation 46 and paragraphs C, D and E of Schedule V of the Listing regulations.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Restrictions on use

This certificate is issued solely for the purpose of enabling it to comply with its obligations under the aforesaid Listing regulations and should not be used for any other purpose.

Investor Information

IMPORTANT POINTS

Hold securities in dematerialised form as transfer of shares in physical form will no more be permissible.

As per notification issued by SEBI, with effect from December 5, 2018, the shares of the Company can be transferred only in dematerialised form. Members are advised to dematerialise shares in the Company to facilitate transfer of shares.

Holding securities in dematerialised form is beneficial to the investors in the following manner:

- A safe and convenient way to hold securities;
- Elimination of risk(s) associated with physical certificates such as bad delivery, fake securities, delays, thefts, etc.;
- Immediate transfer of securities;
- No stamp duty on electronic transfer of securities;
- Reduction in transaction cost;
- Reduction in paperwork involved in transfer of securities;
- No odd lot problem, even one share can be traded;
- Availability of nomination facility;
- Ease in effecting change of address / bank account details as change with Depository Participants (DPs) gets registered with all companies in which investor holds securities electronically;
- Easier transmission of securities as the same done by DPs for all securities in demat account;
- Automatic credit into demat account of shares, arising out of bonus / split / consolidation / merger / etc.;
- Convenient method of consolidation of folios/ accounts;
- Holding investments in Equity, Debt Instruments, Government securities, Mutual Fund Units etc. in a single account;
- Ease of pledging of securities; and
- Ease in monitoring of portfolio.

Hold securities in consolidated form

Investors holding shares in multiple folios are requested to consolidate their holdings in single folio. Holding of securities in one folio enables shareholders to monitor the same with ease.

Furnish bank details and get dividend directly credited in bank account

Investors should avail the Electronic Payment Services for payment of dividend as the same reduces risk attached to physical dividend warrants. Some of the advantages of payment through electronic credit services are as under:

- Avoidance of frequent visits to banks for depositing the physical instruments.
- Prompt credit to the bank account of the investor through electronic clearing.
- Fraudulent encashment of warrants is avoided.
- Exposure to delays / loss in postal service avoided.
- As there can be no loss in transit of warrants, issue of duplicate warrants is avoided.

Printing of bank account numbers, names and addresses of bank branches on dividend warrants provide protection against fraudulent encashment of dividend warrants. Members are requested to provide, the same to the Company's RTA for incorporation on their dividend warrants.

Register for SMS alert facility

Investor should register with Depository Participants for the SMS alert facility. Both Depositories viz. National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) alert investors through SMS of the debits and credits in their demat account.

Intimate mobile number

Shareholders are requested to intimate their mobile number and changes therein, if any, to Karvy, if shares are held in physical form or to their DP if the holding is in electronic form, to receive communications on corporate actions and other information of the Company.

Submit nomination form and avoid transmission hassle

Nomination helps nominees to get the shares transmitted in their favour without any hassles. Investors should get the nomination registered with the Company in case of physical holding and with their Depository Participants in case of shares are held in dematerialised form.

Form may be downloaded from the Company's website, www.reliancemutual.com under the section 'Investor Relations'. However, if shares are held in dematerialised form, nomination has to be registered with the concerned Depository Participants directly, as per the form prescribed by the Depository Participants.

Deal only with SEBI registered intermediaries

Investors should deal with SEBI registered intermediaries so that in case of deficiency of services, investor may take up the matter with SEBI.

Corporate benefits in electronic form

Investor holding shares in physical form should opt for corporate benefits like bonus / split / consolidation / merger / etc. in electronic form by providing their demat account details to the Company's RTA.

Register e-mail address

Investors should register their e-mail address with the Company/ Depository Participants. This will help them in receiving all communication from the Company electronically at their e-mail address. This also avoids delay in receiving communications from the Company. Prescribed form for registration may please be downloaded from the Company's website.

Course of action in case of non-receipt of dividend, revalidation of dividend warrant etc.

Shareholders may write to the Company's RTA, furnishing the particulars of the dividend not received, and quoting the folio number / DP ID and Client ID particulars (in case of dematerialised shares), as the case may be and provide bank details along with cancelled cheque bearing the name of the shareholder for updation of bank details and payment of unpaid dividend. The RTA would request the concerned shareholder to execute an indemnity before processing the request. **As per a circular dated April 20, 2018 issued by SEBI, the unencashed dividend can be remitted by electronic transfer only and no duplicate dividend warrants will be issued by the Company. The shareholders are advised to register their bank details with the Company / RTA or their DPs, as the case may be, to claim unencashed dividend from the Company.**

Facility for a Basic Services Demat Account (BSDA)

SEBI has stated that all the depository participants shall make available a BSDA for the shareholders unless otherwise opted for regular demat account with (a) No Annual Maintenance charges if the value of holding is upto ₹ 50,000 and

(b) Annual Maintenance charges not exceeding ₹ 100 for value of holding from ₹ 50,001 to ₹ 2,00,000. (Refer circular CIR/MRD/DP/22/2012 dated August 27, 2012 and circular CIR/MRD/DP/20/2015 dated December 11, 2015).

Annual General Meeting

The 23rd Annual General Meeting (AGM) will be held on Tuesday, September 18, 2018 at 3:30 P.M. or soon after conclusion of the Annual General Meeting of Reliance Home Finance Limited convened on the same day, whichever is later, at Birla Matushri Sabhagar, 19, New Marine Lines, Mumbai 400 020.

E-voting

The Members can cast their vote online from 10:00 A.M. on September 14, 2018 to 5:00 P.M. on September 17, 2018.

Dividend announcements

During the year the Company had declared and paid an interim dividend of Rs. 5/- per equity share. The Board of Directors of the Company has also recommended a final Dividend of Rs. 1.00 (10 per cent) per equity share of the Company for the financial year ended March 31, 2018, subject to the declaration by shareholders at the ensuing AGM. The dividend, if declared, will be paid after the Meeting.

Book closure dates for the purpose of dividend and AGM

Register of Members and Share Transfer Books of the Company will remain closed from Saturday, September 15, 2018 to Tuesday, September 18, 2018 (both days inclusive) for the purpose of AGM as well as to determine the entitlement of shareholders to receive the Dividend, if any, for the year ended March 31, 2018.

Dividend remittance

Final Dividend on Equity Shares as recommended by the Directors for the financial year ended March 31, 2018, when declared at the AGM will be paid to:

- (i) all those equity shareholders whose names appear in the Register of Members as on September 14, 2018; and
- (ii) those whose names as beneficial owners as on September 14, 2018 are furnished by the NSDL and CDSL for the purpose.

Modes of payment of dividend

The dividend is paid under two modes viz.

- Electronic Payment via
 - NACH (National Automated Clearing House)
 - NEFT (National Electronic Funds Transfer)

- RTGS (Real Time Gross Settlement)
- Direct Credit
- Dispatch of physical dividend warrant / Demand Drafts

Shareholders are requested to avail the Electronic Payment Services for payment of dividend as the same is immensely beneficial and considerably reduces risk attached to physical dividend warrants / Demand Draft.

Unclaimed dividends

During the year under review, the Company had declared and paid an interim dividend of ₹ 5/- per equity share. The status of the Unclaimed Dividend (Interim Dividend) as on 31-03-2018 is as follows:

Dividend Policy

1. INTRODUCTION

The Board of Directors (the "Board") of Reliance Nippon Life Asset Management Limited (the "Company") at its meeting held on April 25, 2018, has adopted this Dividend Policy (the "Policy") in accordance with the Companies Act, 2013, (the "Act") and regulation 43A of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (the "Listing Regulations").

2. OBJECTIVE

The objective of this policy is to establish the parameters to be considered by the Board of Directors of the Company before declaring or recommending dividend.

3. CIRCUMSTANCES UNDER WHICH THE SHAREHOLDERS OF THE LISTED ENTITIES MAY OR MAY NOT EXPECT DIVIDEND

The shareholders of the Company may not expect dividend in the below mentioned circumstances:

- i. In the event of a growth opportunity where the Company may be required to allocate a significant amount of capital.
- ii. In the event of higher working capital requirement for business operations or otherwise.
- iii. In the event of inadequacy of cashflow available for distribution.
- iv. In the event of inadequacy or absence of profits.
- v. In the event of any regulation or contractual restriction.

The Company may consider not declaring dividend or may recommend a lower payout for a given financial year, after analyzing the prospective opportunities and threats or in the event of challenging circumstances such as regulatory and financial environment.

4. PARAMETERS TO BE CONSIDERED WHILE DECLARING DIVIDEND

Dividends will generally be recommended by the Board once a year, after the announcement of the full year results and before the Annual General Meeting (AGM) of the shareholders, as may be permitted by the Companies Act, 2013. The board may also declare interim dividends as may be permitted by

the Companies Act, 2013. The company has had a consistent dividend policy that balances the objective of appropriately rewarding shareholders through dividends and to support the future growth.

The decision regarding dividend pay-out is a crucial decision as it determines the amount of profit to be distributed among shareholders and amount of profit to be retained in business. The Dividend pay-out decision of any company depends upon certain external and internal factors:

4.1 External Factors:

State of Economy: In case of uncertain or recessionary economic and business conditions, Company will endeavor to retain larger part of profits to build up reserves to absorb future shocks.

4.2 Internal Factors:

Apart from the various external factors, the Company will take into account various internal factors while declaring Dividend, which *inter alia* will include:

- Income/ Profits earned during the year;
- Present & future capital requirements of the existing businesses;
- Brand/ Business Acquisitions;
- Expansion/ Modernization of existing businesses;
- Additional investments in subsidiaries/associates of the Company;
- Fresh investments into external businesses;
- Any other factor as deemed fit by the Board.

5. UTILIZATION OF RETAINED EARNINGS

The company shall endeavor to utilize the retained earnings in the following manner:

- For expansion and growth of business;
- Additional investments in existing business;
- Declaration of dividend;
- General Corporate Purposes; and
- Any other specific purpose as may be approved by the Board.

6. PARAMETERS THAT SHALL BE ADOPTED WITH REGARD TO VARIOUS CLASSES OF SHARES

The Company has issued only one class of shares viz. Equity shares. Parameters of dividend payments in respect of any other class of shares will be as per the respective terms of issue and in accordance with the applicable regulations and will be determined, if and when the Company decides to issue other class of shares.

7. REVIEW

This policy will be reviewed periodically by the Board.

8. LIMITATION AND AMENDMENT

In the event of any conflict between the Act or the Listing Regulations and the provisions of the policy, the Listing regulations shall prevail over this policy. Any subsequent amendment/modification in the Listing Regulations, in this regard, shall automatically apply to this policy.

9. DIVIDEND RANGE

The Company stands committed to deliver sustainable value to all its stakeholders. The Company will strive to distribute an optimal and appropriate level of the profits earned by it in its business and investing activity, with the shareholders, in the form of dividend. As explained in the earlier part of this Policy, determining the dividend pay-out is dependent upon several factors, both internal to a business and external to it. Taking into consideration the aforementioned factors, the Company will endeavor to maintain a Dividend pay-out in the range of 60%-90% of profits after tax (PAT) on standalone financials. However, the Company may amend the pay-out range or declare dividend outside the payout range for a particular financial year, whenever considered appropriate by it, keeping in mind the external and internal factors which are having a bearing on the dividend pay-out.

Independent Auditor's Report

To the Members of

Reliance Nippon Life Asset Management Limited

(Formerly known as Reliance Capital Asset Management Limited)

Report on the financial statements

We have audited the accompanying standalone financial statements of Reliance Nippon Life Asset Management Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2018, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards

require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control over financial reporting relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2018, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of sub section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT – MARCH 31, 2018

(Referred to in our report of even date)

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets by which all the fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) The Company does not have any immovable properties. Accordingly paragraph 3 (i) (c) of the Order is not applicable.
- ii. The Company is a service company primarily rendering asset management services, portfolio management services and advisory services. Accordingly, it does not hold any inventories. Thus paragraph 3 (ii) of the Order is not applicable.
- iii. According to the information and explanation given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act. Thus, paragraph 3(iii) of the Order is not applicable.
- iv. In our opinion and according to the information and explanations given to us, the Company has not advanced any loan, given any guarantee or provided any security under section 185 of the Act, to any of its directors or to any person in whom the director is interested. The Company has complied with the provisions of section 186 of the Act, with respect to the loans and investments made. The Company has not given any guarantee or provided any security under Section 186 of the Act.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted deposits as per the directives issued by Reserve Bank of India and the provisions of Sections 73 to 76 or other relevant provisions of the Act and rules framed there under. Thus, paragraph 3(v) of the Order is not applicable to the Company.
- vi. The Central Government has not prescribed the maintenance of cost records under sub- section 1 of section 148 of the Act, for any of the services rendered by the Company. Accordingly paragraph 3(vi) of the Order is not applicable.
- vii. (a) According to the information and explanations given to us and on the basis of our examination of the Books of Account, amounts deducted/ accrued in the Books of Account in respect of undisputed statutory dues including provident fund, income tax, service tax, goods and service tax, cess and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of sales tax, wealth tax, employees' state insurance, duty of customs, duty of excise and value added tax. According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, service tax, goods and service tax, cess and other material statutory dues were in arrears as at 31 March 2018 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues of provident fund, income tax, service tax, goods and service tax, cess and other material statutory dues which have not been deposited by the Company on account of disputes.
- viii. In our opinion and according to the information and explanations given to us, the Company has not taken any loan or borrowing from financial institution, bank, Government or debenture holders. Thus, paragraph 3 (viii) of the Order is not applicable.
- ix. The Company has raised money by way of Initial Public Offering (IPO) during the year. In our opinion, and according to the information given to us, the money raised by way of IPO has been applied for the purposes for which it was raised (Refer note no. 3.36 to the standalone financial statements). There is also unutilized IPO money as at the year end and the same has been kept in the current account and fixed deposit with the scheduled commercial banks. The Company has not raised any money by the way of further public offer (including debt instruments) and term loans. Accordingly, the provision of clause 3 (ix) of the Order are not applicable with respect to further public offer (including debt instruments) and term loans.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT – MARCH 31, 2018

(Referred to in our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Reliance Nippon Life Asset Management Limited ("the Company") as of 31 March 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the "internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI')". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the 'Act').

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by the ICAI and specified under Section 143 (10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including

the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2018

(Currency : Indian Rupees)

1. BACKGROUND

Reliance Nippon Life Asset Management Limited ('the Company') was incorporated on 24 February 1995.

The Company's principal activity is to act as an investment manager to Reliance Mutual Fund ('the Fund') and to provide Portfolio Management Services ('PMS') and advisory services to clients under Securities and Exchange Board of India (SEBI) Regulations. The Company is registered with SEBI under the SEBI (Mutual Funds) Regulations, 1996. The Company manages the investment portfolio of the Fund and provides various administrative services to the Fund as laid down in the Investment Management Agreement dated 12 August 1997.

During the year ended 31 March 2018, the Company completed the Initial Public Offering (IPO) through an offer for sale and fresh issue of equity shares. The equity shares of the Company were listed on National Stock exchange of India Limited and Bombay Stock exchange Limited on 6 November 2017.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation

The accompanying financial statements have been prepared and presented on the accrual basis of accounting and comply with the Accounting Standards under section 133 of Companies Act 2013, read with Rule 7 of Companies (Accounts) Rule 2014 and other accounting principles generally accepted in India, to the extent applicable. The financial statements are presented in Indian Rupees rounded to the nearest crore except otherwise stated. The accounting policies set out below have been applied consistently to the years prescribed in the financial statements except otherwise disclosed separately.

2.2 Use of Estimates

The preparation of the financial statements, in conformity with generally accepted accounting principles (GAAP), requires management to make estimates and assumptions that affect the reported amount of assets, liabilities and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon Management's evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results may differ from the estimates and assumptions used in preparing

the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

2.3 Operating Cycle

Based on the nature of its activities, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.4 Fixed assets and depreciation/amortisation

Fixed assets are stated at cost of acquisition less accumulated depreciation. Cost includes all expenses incidental to the acquisition of the fixed assets.

Depreciation on fixed assets is provided on straight line basis at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013 which are mentioned as under :

Asset Class	Useful Life (years)
Office Equipments	5
Furniture and fixtures	10
Vehicles	8
IT Equipments - computers & printers	3

Leasehold improvements are amortised over the primary period of the lease on straight-line basis or useful life of asset, whichever is lower.

Intangible assets comprising of software purchased / developed and licensing costs are amortised over the useful life of the software up to a maximum of three years commencing from the date on which such software is first utilised.

Goodwill is amortised over estimated useful life or five years, whichever is lower.

Acquisition of rights to manage and administer the schemes of Goldman Sachs Mutual Fund has been amortised equally over a period of 10 years.

The Company provides pro-rata depreciation from the day the asset is put to use and for any asset sold, till the date of sale.

2.5 Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash-generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

2.6 Investments

Purchase and sale of investments are recorded on trade date.

Investments are classified as long term or current based on intention of the management at the time of purchase. Investments that are intended to be held for not more than 1 year from the date on which such investments are made, are classified as current. All other investments are classified as long term investments.

Long-term investments are stated at cost of acquisition. Provision for diminution is made to recognise a decline, other than temporary, in the value of investments.

Current investments are valued at the lower of cost and fair value. The comparison of cost and net realisable value is done separately in respect of each individual investment.

2.7 Cash and cash equivalent

Cash and cash equivalent represent cash in hand, balance with scheduled banks and current account and short term deposits with bank with original maturity of three months or less.

2.8 Revenue recognition

Revenue is recognised when there is reasonable certainty of its ultimate realisation/collection.

Revenue From Operation:

Investment Management Fees (net of tax)

Investment Management fees are recognised on an accrual basis in accordance with Investment Management Agreement and SEBI (Mutual Fund) Regulations, 1996 based on average assets under management (AUM) of Reliance Mutual Fund schemes.

Advisory Fees (net of tax)

Advisory fees are recognised on an accrual basis in accordance with agreement entered into with respective investment managers / advisors.

Portfolio Management Fees (net of tax)

Portfolio Management fees are recognised on an accrual basis in accordance with Portfolio Management Agreement entered with respective clients.

Other Income:

The gains/ losses on sale of investments are recognised in the statement of profit and loss on the trade day. Profit or loss on sale of investments is determined on weighted average cost basis.

Interest income is accounted on a time proportion basis.

Dividend income is recognised when the right to receive dividend is established.

2.9 Transactions in foreign currency

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of the transaction. Exchange differences, if any arising out of transactions settled during the year are recognised in the statement of profit and loss.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rate on that date. The exchange differences, if any, are recognised in the statement of profit and loss and related assets and liabilities are accordingly restated in the balance sheet.

2.10 Employee Benefits Provident Fund

The Company expenses its contribution to the statutory provident fund, a defined contribution scheme, made at 12% of the basic salary of each employee.

Gratuity

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the

Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rate is based on the prevailing market yields of Indian government securities as at the balance sheet date for the estimated term of the obligations.

Actuarial gains and losses are recognised immediately in the statement of profit and loss.

Benefits in respect of gratuity, a defined benefit scheme, and superannuation, a defined contribution scheme, as applicable to employees of the Company are annually funded with the Reliance Life Insurance Company Limited and Birla Sun Life Insurance Company Limited respectively.

Leave Encashment

Leave Encashment which is a defined benefit, is accrued based on an actuarial valuation at the balance sheet date carried out by an independent actuary.

Compensated absences

The employees of the Company are entitled to compensated absence. The employees can carry forward a portion of the unutilized accrued leave balance and utilize it in future periods. The Company records an obligation for compensated absences in the period in which the employee renders the service that increases the entitlement. The Company measures the expected cost of compensated absence as the amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the balance sheet date.

Phantom Shares

As a long term incentive plan to employees, the Company has initiated Phantom stock option plan which are cash settlement rights where the employees are entitled to get cash compensation based on formulae linked to fair market value of shares upon exercise of phantom stock options over notional or hypothetical shares, whereby instead of becoming entitled to buy the actual shares on vesting, they become entitled to cash payment equivalent to appreciation in the value over defined base price of shares. The present value of the obligation under such plan is determined based on actuarial valuation.

Employee Stock option plan ("ESOP")

The employees of the Company and its subsidiaries are

entitled for grant of stock options (equity shares), based on the eligibility criteria set in ESOP plan of the Company. The employee compensation expenses are accounted on the basis of "intrinsic value method" as prescribed by the Guidance Note on Employee share based payments issued by the Institute of Chartered Accountants of India as required by the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014. The excess, if any, of quoted market price over the exercise price on the date of grant would be recognised as compensation cost over the vesting period. The Company recognises compensation expense on the basis of estimated number of stock options expected to vest.

2.11 New fund offer expenses of mutual fund and PMS schemes

Expenses relating to new fund offer of mutual fund and PMS schemes are charged in the statement of profit and loss in the year in which such expenses are incurred except for distribution cost which is recognised over the duration or clawback period of the scheme for close ended and open ended schemes respectively.

2.12 Fund expenses

Expenses incurred on behalf of schemes of Reliance Mutual Fund are recognised in the statement of profit and loss under brokerage, incentives, marketing, advertisement and publicity expenses unless considered recoverable from the schemes in accordance with the provisions of SEBI (Mutual Fund) Regulations, 1996.

Expenses directly incurred for the schemes of Reliance Mutual Fund are charged to the statement of profit and loss under respective heads. Distribution cost is recognised over the duration or clawback period of the scheme for close ended and open ended schemes respectively.

2.13 Operating leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term are classified as Operating Leases. Operating lease rentals are recognised as an expense on straight line basis over the lease period.

2.14 Income Tax

Income tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income tax law), deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the year).

Current tax

Provision for current tax is recognised on an annual basis under the taxes payable method, based on estimated tax

liability computed after taking credit for allowances and exemption in accordance with Indian Income Tax Act, 1961. In case of matters under appeal due to disallowance or otherwise, full provision is made when the said liabilities are accepted by the Company.

Deferred tax

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future. However, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only to the extent there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonable/virtually certain (as the case may be) to be realised.

2.15 Earnings per share

The basic earnings per share is computed by dividing the net profit attributable to the equity shareholders by weighted average number of equity shares outstanding during the reporting year.

Number of equity shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares which would have been issued on the conversion of all dilutive potential shares. In computing diluted earnings per share only potential equity shares that are dilutive are included.

2.16 Contingencies and provisions

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed. Contingent assets are not recognised in the financial statements.

3.20 Employees Stock Option Plan (ESOP) :

- (i) Pursuant to a resolution dated 8 August 2017, shareholders approved Reliance Nippon Life Asset Management Limited – Employee Stock Option Plan 2017 ('ESOP 2017'), to provide for grant of option to eligible employees of the companies and subsidiaries. Under the scheme, 49,44,246 equity shares (taking into account the effect of bonus issuance dated 11 August 2017) have been granted to the eligible employees and each option (after it is vested) is excisable for one equity share having face value of Rs 10 each for an exercise price of Rs 204.25. Vesting of the options shall take place over a maximum period of 4 years with a minimum vesting period of 1 year from the date of grant i.e. 8 August 2017. The exercise period would be maximum of 7 years from the date of grant of options.

(i)(a) The information concerning stock options granted, exercised, forfeited and outstanding at the year-end is as follows:

Particulars	As at March 31, 2018		As at March 31, 2017	
	Number of stock options	Weighted average exercise price (Rs.)	Number of stock options	Weighted average exercise price (Rs.)
Number of shares under option:

Cancelled or expired	97,869	-	-	-
Outstanding at the year end	4,846,377	204.25	-	-
Exercisable at end of year	-	-	-	-

(i)(b) The fair value of the options granted was estimated on the date of grant using the Black- Scholes model with the following assumptions

Particulars	Year ended March 31, 2018	Year ended March 31, 2017
Risk free interest rate	6.20%	NA
Expected life	7 years	NA
Dividend yield	3.09%	NA

(i)(c) The Company has chosen to account for the Plan by the Intrinsic Value Method. The total expense recognised for the period arising from stock option plan as per Intrinsic Value Method is Rs.Nil (PY Rs. NA). The net results for the year, had the Company adopted the Fair Value Method, would have been lower by Rs. 1.43 (PY Rs. NA) and accordingly basic and diluted EPS would have been lower by Rs. 0.02 and Rs. 0.02 respectively (PY impact Rs. NA and Rs. NA).

(ii) During the year, performance linked incentive/ ex-gratia of Rs. 27.50 Crore (P.Y. 20.00 Crore) was paid from Reliance Capital Asset Management Employees Benefits Trust out of its surplus funds as per Employee Benefit Scheme, 2016.

Independent Auditor's Report

To the Members of

Reliance Nippon Life Asset Management Limited

(Formerly known as Reliance Capital Asset Management Limited)

Report on the consolidated financial statements

We have audited the accompanying consolidated financial statements of Reliance Nippon Life Asset Management Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the holding Company and its subsidiaries together referred to as "the Group"), and its associate, comprising of the Consolidated balance sheet as at 31 March 2018, the Consolidated statement of profit and loss, the Consolidated cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated financial statements

The Holding Company's Board of directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group and its associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and its associate are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting audit, we have taken into account the provisions of the Act, accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control over financial reporting relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of report of other auditors on separate financial statement of subsidiaries and associate, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate as at 31 March 2018, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other matters

We did not audit the financial statements of two subsidiaries whose financial statements reflect total assets of Rs. 53.79 Crore as at 31 March 2018, net assets of Rs. 45.82 Crore as at 31 March 2018, total revenues of Rs. 42.55 Crore and net cash inflows amounting to Rs. 13.70 Crore for the year ended on that date as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the management, and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

We did not audit the financial results of a subsidiary (which became an associate from 3 July 2017) included in the financial statements which reflects total revenues of Rs. 0.74 Crore for the relevant period during the year ended 31 March 2018. We did not audit the financial statements of an associate considered in the preparation of the consolidated statement, whose financial statements reflect the Group's share of total net profit after tax of Rs. 0.18 Crore for the year ended 31 March 2018. These financial statements have been audited by other auditors whose reports have been furnished to us by the management, and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this associate and our report in terms of sub section (3) Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditor. In our opinion and according to the information and explanations given to us by the Management, this financial statement is not material to the Group.

Certain of these subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Company's

management has converted the financial statements of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Company and audited by us.

Our opinion on the consolidated financial statements, and our report on Other legal and regulatory requirements below, is not modified in respect of other matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements/ financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by section 143 (3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements of subsidiaries and the associate as furnished by the management as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other independent auditors;
- (c) The Consolidated balance sheet, the Consolidated statement of profit and loss, and the consolidated cash flow statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of written representations received from the directors of the Holding Company as on 31 March 2018 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company and associate company incorporated in India, made available to us by the management, none of the directors of the Group companies and its associate incorporated in India is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164 (2) of the Act;

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

In conjunction with our audit of the consolidated financial statements of the Group as of and for the year ended 31 March 2018, we have audited the internal financial controls over financial reporting of Reliance Nippon Life Asset Management Limited ("the Holding Company"), subsidiary company and its associate company, incorporated in India, as of that date (the Holding Company, its subsidiary company collectively referred to as the "Group")

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary company and its associate company, incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports

referred to in the Other Matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary company and its associate company incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to the associate company, incorporated in India, is based on the corresponding report of the auditors of such company incorporated in India.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

(Currency : Indian Rupees)

1. BACKGROUND

Reliance Nippon Life Asset Management Limited ('the Company') was incorporated on 24 February 1995.

The Company's principal activity is to act as an investment manager to Reliance Mutual Fund ('the Fund') and to provide Portfolio Management Services ('PMS') and advisory services to clients under Securities and Exchange Board of India (SEBI) Regulations. The Company is registered with SEBI under the SEBI (Mutual Funds) Regulations, 1996. The Company manages the investment portfolio of the Fund and provides various administrative services to the Fund as laid down in the Investment Management Agreement dated 12 August 1997.

During the year ended 31 March 2018, the Company completed the Initial Public Offering (IPO) through an offer for sale and fresh issue of equity shares. The equity shares of the Company were listed on National Stock exchange of India Limited and Bombay Stock exchange Limited on 6 November 2017.

2 SIGNIFICANT ACCOUNTING POLICIES

2.1 Principles of Consolidation

The consolidated financial statements have been prepared on the following basis:

The financial statements of the Company and its subsidiaries (together referred as the "Group") have been combined on a line by line basis by adding together like items of assets, liabilities, income and expenses. The intra group transactions and unrealized profit and losses if any, are fully eliminated.

The difference between the proceeds from disposal of investment in a subsidiary and the carrying amount of its assets less liabilities as of the date of disposal is recognized in the consolidated Statement of profit and loss as the profit or loss on disposal of investment in subsidiary as the case may be.

The Standalone financial statements of the holding company and its associate have been combined on the basis of equity method, whereby, the investment is initially recorded at cost, identifying any goodwill/capital reserve arising at the time of acquiring control. The carrying amount of the investment is adjusted thereafter for post acquisition change in the holding company's share of net assets of the associate. Unrealised profits and losses resulting from transaction between the holding company and the associate are eliminated to the extent of the company's interest in the associate. Unrealised losses are not eliminated if and to the extent the cost of the transferred asset cannot be recovered. The consolidated statement of profit and loss reflects the Holding Company's share of operations of the associates.

The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the company's separate financial statements. In translating the financial statements of non integral foreign operations for consolidation the following procedures have been followed:

- the assets and liabilities both monetary and non monetary, of the non integral foreign operations are translated at the closing rate;
- income and expense items of the non integral foreign operations are translated at the average exchange rates; and
- all resulting exchange differences are accumulated in a foreign currency translation reserve.

Following subsidiaries have been consolidated and the proportion of ownership thereof is as under:

Investment in Subsidiaries	Country of Incorporation	Proportion of ownership interest	
		March 31, 2018	March 31, 2017
Reliance Asset Management (Mauritius) Limited	Mauritius	100%	100%
Reliance Asset Management Singapore Pte Limited	Singapore	100%	100%
Reliance Capital Pension Fund Limited*	India	49%	100%
Reliance AIF Management Company Ltd.	India	100%	100%

* Became an associate w.e.f 3 July 2017. The difference between the proceeds from disposal of investment in a subsidiary of Rs. 14.70 Crore and the carrying amount of its assets less liabilities as of the date of disposal of Rs. 13.38 Crore is recognized in the consolidated Statement of profit and loss as the profit on disposal of investment in subsidiary.

2.2 Basis of preparation

The accompanying consolidated financial statements have been prepared and presented on the accrual basis of accounting and comply with the Accounting Standards under section 133 of Companies Act 2013, read with Rule 7 of Companies (Accounts) Rule 2014 and other accounting

principles generally accepted in India, to the extent applicable. The financial statements are presented in Indian Rupees rounded to the nearest crore except otherwise stated. The accounting policies set out below have been applied consistently to the periods prescribed in the consolidated financial statements except otherwise disclosed separately.

2.3 Use of Estimates

The preparation of the consolidated financial statements, in conformity with generally accepted accounting principles (GAAP), requires management to make estimates and assumptions that affect the reported amount of assets, liabilities and disclosure of contingent liabilities on the date of the consolidated financial statements. The estimates and assumptions used in the accompanying financial statements are based upon Management’s evaluation of the relevant facts and circumstances as of the date of the consolidated financial statements. Actual results may differ from the estimates and assumptions used in preparing the accompanying consolidated financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

2.4 Operating Cycle

Based on the nature of its activities, the group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.5 Fixed assets and depreciation/amortisation

Fixed assets are stated at cost of acquisition less accumulated depreciation. Cost includes all expenses incidental to the acquisition of the fixed assets.

Depreciation on fixed assets is provided on straight line basis at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013 which are mentioned as under :

Asset Class	Useful Life (years)
Office Equipments	5
Furniture and fixtures	10
Vehicles	8
IT Equipments - computers & printers	3

Leasehold improvements are amortised over the primary period of the lease on straight-line basis or useful life of asset, whichever is lower.

Intangible assets comprising of software purchased / developed and licensing costs are amortised over the useful life of the software up to a maximum of three years commencing from the date on which such software is first utilised.

Goodwill is amortised over estimated useful life or five years, whichever is lower.

Acquisition of rights to manage and administer the schemes of Goldman Sachs Mutual Fund has been amortised equally over a period of 10 years.

The Group provides pro-rata depreciation from the day the asset is put to use and for any asset sold, till the date of sale.

2.6 Impairment of assets

The Group assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Group estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash-generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

2.7 Investments

Purchase and sale of investments are recorded on trade date.

Investments are classified as long term or current based on intention of the management at the time of purchase. Investments that are intended to be held for not more than 1 year from the date on which such investments are made, are classified as current. All other investments are classified as long term investments.

Long-term investments are stated at cost of acquisition. Provision for diminution is made to recognise a decline, other than temporary, in the value of investments.

Current investments are valued at the lower of cost and fair value. The comparison of cost and net realisable value is done separately in respect of each individual investment.

2.8 Cash and cash equivalent

Cash and cash equivalent represent cash in hand, balance with scheduled banks and current account and short term deposits with bank with original maturity of three months or less.

2.9 Employee Benefits

Provident Fund

The Company expenses its contribution to the statutory provident fund, a defined contribution scheme, made at 12% of the basic salary of each employee.

Gratuity

The Company’s gratuity benefit scheme is a defined benefit plan. The Company’s net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rate is based on the prevailing market yields of Indian government securities as at the balance sheet date for the estimated term of the obligations.

Actuarial gains and losses are recognised immediately in the statement of profit and loss.

Benefits in respect of gratuity, a defined benefit scheme, and superannuation, a defined contribution scheme, as applicable to employees of the Company are annually funded with the Reliance Life Insurance Company Limited and Birla Sun Life Insurance Company Limited respectively.

Leave Encashment

Leave Encashment which is a defined benefit, is accrued based on an actuarial valuation at the balance sheet date carried out by an independent actuary.

Compensated absences

The employees of the Company are entitled to compensated absence. The employees can carry forward a portion of the unutilized accrued leave balance and utilize it in future periods. The Company records an obligation for compensated absences in the period in which the employee renders the service that increases the entitlement. The Company measures the expected cost of compensated absence as the amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the balance sheet date.

Phantom Shares

As a long term incentive plan to employees, the Company has initiated Phantom stock option plan which are cash settlement rights where the employees are entitled to get cash compensation based on formulae linked to fair market value of shares upon exercise of phantom stock options over notional or hypothetical shares, whereby instead of becoming entitled to buy the actual shares on vesting, they become entitled to cash payment equivalent to appreciation in the value over defined base price of shares. The present value of the obligation under such plan is determined based on actuarial valuation.

Employee Stock option plan ("ESOP")

The employees of the Group and its subsidiaries are entitled for grant of stock options (equity shares), based on the eligibility criteria set in ESOP plan of the Company. The employee compensation expenses are accounted on the basis of

"intrinsic value method" as prescribed by the Guidance Note on Employee share based payments issued by the Institute of Chartered Accountants of India as required by the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014. The excess, if any, of quoted market price over the exercise price on the date of grant would be recognised as compensation cost over the vesting period. The Company recognises compensation expense on the basis of estimated number of stock options expected to vest.

2.10 Revenue recognition

Revenue is recognised when there is reasonable certainty of its ultimate realisation/collection.

Revenue From Operation:

Investment Management Fees (net of tax)

Investment Management fees are recognised on an accrual basis in accordance with Investment Management Agreement and SEBI (Mutual Fund) Regulations, 1996 based on average Assets Under Management (AUM) of Reliance Mutual Fund schemes.

Advisory Fees (net of tax)

Advisory fees are recognised on an accrual basis in accordance with agreement entered into with respective investment managers / advisors.

Portfolio Management Fees (net of tax)

Portfolio Management fees are recognised on an accrual basis in accordance with Portfolio Management Agreement entered with respective clients.

Other Income:

The gains/ losses on sale of investments are recognised in the statement of profit and loss on the trade date. Profit or loss on sale of investments is determined on weighted average cost basis.

Interest income is accounted on an time proportion basis.

Dividend income is recognised when the right to receive dividend is established.

Contingent deferred sales charge and service charge is included in other income. These are recognised in accordance with the terms of the Private Placement Memorandum.

2.11 Transactions in foreign currency

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of the transaction. Exchange differences, if any arising out of transactions settled during the year are recognised in the statement of profit and loss.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rate on that date. The exchange differences, if any, are recognised in the statement of profit and loss and related assets and liabilities are accordingly restated in the balance sheet.

2.12 New fund offer expenses of mutual fund and PMS schemes

Expenses relating to new fund offer of mutual fund and PMS schemes are charged in the statement of profit and loss in the year in which such expenses are incurred except for distribution cost which is recognised over the duration or clawback period of the scheme for close ended and open ended schemes respectively.

2.13 Fund expenses

Expenses incurred on behalf of schemes of Reliance Mutual Fund are recognised in the statement of profit and loss under brokerage, incentives, marketing, advertisement and publicity expenses unless considered recoverable from the schemes in accordance with the provisions of SEBI (Mutual Fund) Regulations, 1996.

Expenses directly incurred for the schemes of Reliance Mutual Fund are charged to the statement of profit and loss under respective heads. Distribution cost is recognised over the duration or clawback period of the scheme for close ended and open ended schemes respectively.

2.14 Leases

Operating leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term are classified as Operating Leases. Operating lease rentals are recognised as an expense on straight line basis over the lease period.

Hire purchase

Assets held under hire purchase arrangements are classified as finance leases and are recognised as assets of the company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a hire purchase liability. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly to profit or loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the company's general policy on borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

2.15 Income Tax

Income tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income tax law), deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the year).

Current tax

Provision for income tax is recognised on an annual basis under the taxes payable method, based on estimated tax liability computed after taking credit for allowances and exemption in accordance with Indian Income Tax Act, 1961. In case of matters under appeal due to disallowance or otherwise, full provision is made when the said liabilities are accepted by the Company.

MAT Credit entitlement is recognised where there is convincing evidence that the same can be realised in future. The company has balance of unrecognised MAT credit of Rs. Nil (P.Y. Rs. 0.28 Crore) as at March 31, 2018.

Deferred tax

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future: however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonable/virtually certain (as the case may be) to be realised.

2.16 Earnings per share

The basic earnings per share is computed by dividing the net profit attributable to the equity shareholders by weighted average number of equity shares outstanding during the reporting year.

Number of equity shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares which would have been issued on the conversion of all dilutive potential shares. In computing diluted earnings per share only potential equity shares that are dilutive are included.

2.17 Contingencies and provisions

The Group creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Provision are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed. Contingent assets are not recognised in the financial statements.

3.21 Employees Stock Option Plan (ESOP) :

- (i) Pursuant to a resolution dated August 8, 2017, shareholders approved Reliance Nippon Life Asset Management Limited – Employee Stock Option Plan 2017 ('ESOP 2017'), to provide for grant of option to eligible employees of the companies and subsidiaries. Under the scheme, 49,44,246 equity shares (taking into account the effect of bonus issuance dated August 11, 2017) have been granted to the eligible employees and each option (after it is vested) is excisable for one equity share having face value of Rs 10 each for an exercise price of Rs 204.25. Vesting of the options shall take place over a maximum period of 4 years with a minimum vesting period of 1 year from the date of grant i.e. August 8, 2017. The exercise period would be maximum of 7 years from the date of grant of options.

(i)(a) The information concerning stock options granted, exercised, forfeited and outstanding at the year-end is as follows:

Particulars	As at March 31, 2018		As at March 31, 2017	
	Number of stock options	Weighted average exercise price (Rs.)	Number of stock options	Weighted average exercise price (Rs.)
Number of shares under option:				
Year 2017				
Outstanding at beginning of year	-	-	-	-
Granted	49,44,246	204.25	-	-
Exercised	-	-	-	-
Cancelled or expired	97,869		-	
Outstanding at the year end	48,46,377	204.25	-	-
Exercisable at end of year	-	-	-	-

(i)(b) The fair value of the options granted was estimated on the date of grant using the Black- Scholes model with the following assumptions

Particulars	Year ended March 31, 2018	Year ended March 31, 2017
Risk free interest rate	6.20%	NA
Expected life	7 years	NA
Dividend yield	3.09%	NA

(i)(c) The Company has chosen to account for the Plan by the Intrinsic Value Method. The total expense recognised for the period arising from stock option plan as per Intrinsic Value Method is Rs.Nil (PY Rs. NA). The net results for the year, had the Company adopted the Fair Value Method, would have been lower by Rs. 1 Crore (PY Rs. Nil) and accordingly basic and diluted EPS would have been lower by Rs. 0.02 and Rs. 0.02 respectively (PY impact Rs. Nil and Rs. Nil).

(ii) During the year, performance linked incentive/ ex-gratia of Rs. 27.50 Crore (P.Y. Rs. 20 Crore) was paid from Reliance Capital Asset Management Employees Benefits Trust out of its surplus funds as per Employee Benefit Scheme, 2016.

Instructions and other information relating to e-voting are as under:

1. The Company is pleased to provide remote e-voting facility for its Members to enable them to cast their votes electronically. The procedure and instructions for the same are as follows:

- i) Open your web browser during the remote e-voting period and navigate to "https://evoting.karvy.com".
- ii) Enter the login credentials (i.e., user-id and password) mentioned in the letter. Your Folio No./DP ID - Client ID will be your User- ID.

User – ID	For Members holding shares in Demat Form:-
	For NSDL :- 8 Character DP ID followed by 8 Digits Client ID
	For CDSL :- 16 digits beneficiary ID
	For Members holding shares in Physical Form:- Event no. followed by Folio Number registered with the Company
Password	Your unique password is printed overleaf / sent via e-mail forwarded through the electronic notice
Captcha	Please enter the Verification code i.e. the alphabets and numbers in the exact way as they are displayed for security reasons.

iii) Members can cast their vote on-line from Friday, September 14, 2018 at 10:00 A.M. to Monday, September 17, 2018 till 5:00 P.M.

iv) After entering these details appropriately, click on "LOGIN".

v) Members holding shares in Demat / Physical form will now reach Password Change menu wherein they are required to mandatorily change their login password in the new password field. The new password has to be minimum eight characters consisting of at least one upper case (A-Z), one lower case (a-z), one numeric value (0-9) and a special character (@, #,\$, etc.). Kindly note that this password can be used by the Demat holders for voting in any other Company on which they are eligible to vote, provided that the other company opts for e-voting through Karvy e-Voting platform. System will prompt you to change your password and update your contact details like mobile number, e-mail ID, etc. on first login. You may also enter the secret question and answer of your choice to retrieve your password in case you forget it. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

vi) You need to login again with the new credentials.

vii) On successful login, system will prompt you to select the 'Event' i.e. 'Company Name'.

viii) If you are holding shares in Demat form and had logged on to "https://evoting.karvy.com" and have cast your vote earlier for any company, then your existing login ID and password are to be used.

ix) On the voting page, you will see Resolution Description and against the same the option 'FOR/AGAINST/ABSTAIN' for voting. Enter the number of shares (which represents the number of votes) under 'FOR/AGAINST/ABSTAIN' or alternatively you may partially enter any number in 'FOR' and partially in 'AGAINST', but the total number in 'FOR/AGAINST' taken together should not exceed your total shareholding. If you do not wish to vote, please select 'ABSTAIN'.

x) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.

xi) Once you 'CONFIRM' your vote on the resolution, you will not be allowed to modify your vote.

xii) Corporate/Institutional Members (i.e. other than Individuals, HUF, NRI, etc.) are required to send scanned copy (PDF / JPG format) of the relevant Board resolution / Authority letter, etc. together with attested specimen signature of the duly authorised signatory(ies) who are authorised to vote, to 'evoting@karvy.com'. The file / scanned image of the Board resolution / Authority letter should be in the naming format 'Corporate Name Event no.'

2. Once the vote on a resolution is cast by a Member, the Member shall not be allowed to change it subsequently.

3. The voting rights of the Members shall be in proportion to the number of shares held by them in the equity share capital of the Company as on the cut-off date being Tuesday, September 11, 2018.

4. The facility for voting shall also be available at the meeting. The members who have cast their vote by remote e-voting prior to the meeting may also attend the meeting, but shall not be entitled to cast their vote again at the meeting.

5. In case of any query pertaining to e-voting, please visit Help and FAQs section available at Karvy's website <https://evoting.karvy.com> OR contact our toll free No.1800 4250 999.
