Statement pursuant to the provisions of Section 102 of the Companies Act, 2013 to the accompanying notice dated September 20, 2023.

Item Nos. 1 and 2:

Your Company believes that performance-based equity compensation schemes are an effective tool to reward the talents working with the Company, group company including subsidiary company or its associate company, or of a holding company of the Company. Further, equity-based compensation is considered to be an integral part of employee compensation across sectors, which enables alignment of the rewards with the long-term value creation for the shareholders. Further, it helps in creating ownership culture, and to retain, motivate and attract talents in light of growing business.

At this juncture, the Company has transited to the next phase of leveraging market opportunities, business growth including addressing of business competitions which has resulted in consistent demand for talents for critical roles. Apart from this, the emergence of new skillsets relevant for the Company's business has resulted in changed dynamics of the talent market. This has necessitated in bringing out a meaningful reward strategy for attraction of new talents and retention of both existing and new critical resources having leadership qualities, or holding critical roles as required in the businesses.

Given the background above, the Company proposes to implement performance linked employee stock unit scheme namely **'Nippon Life India Asset Management Limited – Performance linked Stock Unit Scheme 2023' ("PSU 2023"/ "Scheme")**, contemplating grant of performance linked employee stock units ("**Units**") at face value of equity shares of the Company to a select band of employees of the Company, group company including subsidiary company or its associate company, or of a holding company of the Company, being responsible for critical business operations. However, the criteria to select eligible employees for grant would be determined by the Nomination and Remuneration Committee ("**Committee**") based on factors such as length of service, grade, performance, conduct, present contribution, potential contribution, or such other factors as the Committee may decide relevant. At the same time, the Company is aware that any discount should be compensated with appropriate vesting conditions based on achievement of corporate performance targets. Thus, vesting of Units shall be subject to achievement of corporate performance conditions as elaborated at point number (d) below.

Accordingly, the Committee and the Board of Directors of the Company at their respective meetings held on September 20, 2023, had approved the introduction of the PSU 2023, subject to your prior approval.

In terms of Regulation 6 of the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021, ("**SBEB Regulations**"), the salient features of PSU 2023 are given as under:

Besides continuity of employment, vesting shall also be dependent on achievement of certain corporate performance conditions. After vesting of Units, the eligible employees earn a right, but not obligation, to exercise the vested Units within the exercise period and obtain equity shares of the Company subject to payment of exercise price and satisfaction of any tax obligation arising thereon.

The Committee shall act as compensation committee for the administration of PSU 2023. All questions of interpretation of PSU 2023 shall be determined by the Committee and such determination shall be final and binding upon all persons having an interest in PSU 2023.

B. Total number of Units to be granted:

Further, SBEB Regulations require that in case of any corporate action(s) such as rights issue, bonus issue, merger, sale of division etc., a fair and reasonable adjustment needs to be made to the Units granted. In this regard, the Committee shall adjust the number and price of the Units granted in such a manner that the total value of the Units granted under PSU 2023 remain the same after any such corporate action. Accordingly, if any additional Units are granted by the Company, for making such fair and reasonable adjustment, the ceiling of aforesaid shall be deemed to be increased to the extent of such additional Units granted.
